It's time to celebrate art in Cumberland

For the 28th consecutive year, artists and crafters will be at the beach in Cumberland for the annual Celebration of the Arts sponsored by Enrichment Through Culture (ETC). The date is Saturday, June 8, and the time is 9 a.m. to 3 p.m. at Tourist Park on Beaver Dam Lake.

In addition to booths with art and crafts, the event features food and music. There is also a used-book sale by the Friends of the Library. Proceeds go to the Thomas St. Angelo Public Library in

Cumberland.

The event is free to attend.

Here is the schedule of musical performances:

9:00: Gerard Bents, guitar and vocals

10:00: Northern Lakes String Ensemble

11:00: Paul Imholte, hammered dulcimer and other stringed instruments

12 noon: Peter Thesen-vitz, Keyboardist extraordinaire. Bach to Rock

Questions? Email Larry Werner at lhwner47@gmail.com.

Northwoods Notebook: Higher Vision kicks off the summer music series by Larry Werner

I was beginning to wonder if this year's Island City Music series would have to feature Christmas carols. But it appears the snow has finally abated, and the temperatures are becoming sufficiently summery so we can gather on Library Lake for our Tuesday concerts.

The first concert, from 6 p.m. to 8 p.m. June 11, features Higher Vision, four guys and a keyboardist who offer the unique musical combination of gospel and do-wop. The first time I heard this group I was amazed that you can combine spirituals and rock into a show that works. John Westin and his Higher Vision colleagues – Elaine Molls on piano and vocalists Dick Sampson, Mike Jenkinson and Albin Peterson – put on a phenomenal show and have a large local following.

My advice is to get there early with your lawn chairs. Last year, folks were showing up even before Westin & Co. did their sound checks. The Barronett Civic Club's Little Red Caboose will be there by 5:30 cooking brats, hot dogs and a few other things. So you can have supper while waiting for the concert to begin.

Our music series has its roots in a citizen-involvement initiative called Placemaking Cumberland that was organized by the Cumberland Area Business Alliance (CABA) in the fall of 2015. Placemaking is about creating places and events

in communities where neighbors and visitors can gather. One of the recommendations of the small groups that looked at our downtown lakefront was to have weekly concerts.

The first weekly series was held in the summer of 2017, the second last summer, and we're now embarking on year three. Enrichment Through Culture (ETC), our arts council, is the overall sponsor of the series, and local businesses sponsor the groups. Higher Vision is being sponsored by Cumberland Federal Bank.

I take some pride in the success of the series. Not only have hundreds of you come to the events over the past two years, but Wisconsin Economic Development Corp. recognized Island City Music with one of its Main Street awards at a ceremony in February. The "connecting communities" award was given to the city by the folks who encourage downtown revitalization in towns throughout the state.

Another reason I take some special pride in the success is because when Jim Tempesta and I asked the CABA board for some seed money, one member of the group expressed skepticism we could get the performers for the small amount we can pay, and another said even if we could, he doubted people would want to sit on a parking lot on summer nights to hear music.

Cont'd on page 10

Monday Morning Blaze

The Cumberland Fire Department, Cumberland EMS, and the Barron County Sheriff's Department responded to the Rich residence on Polk/Barron St. Monday morning for a large shed on fire. The shed was used to house sheep and chickens. No animals were lost in the fire. The accidental fire also did some damage to a 40x60 shop building. Chief Barry Kuenkel stated that "The guys did a great job preventing further damage."

Lightning Safety Tips from Barron County Sheriff's Department

by Mike Judy, Director of Emergency Services

When Thunder Roars – Go Indoors

Each year, more than 400 people are struck by lightning in the United States. As average of 54 people are killed and hundreds of others suffer lifelong pain and permanent neurological disabilities. In Wisconsin, we've had 23 lightning deaths since 1982.

Lightning Facts:

- Lightning often strikes the same place repeatedly, especially tall isolated objects
- Most lightning victims are in open areas or near a tree
- The rapid heating and cooling of the air near the

lightning channel causes a shock wave which results in thunder.

Lightning Myths:

- Rubber car tires protect you from lightning by insulating you from the ground.
 - o FALSE: The metal roof and sides protect you, NOT the rubber tires. When lightning strikes a vehicle, it goes through the metal frame into the ground.
- If trapped outside and lightning is striking around you, lie flat on the ground.
 - o FALSE: Lying flat increases your chance of being hit by ground current. If you are caught in a storm, keep moving toward a safe shelter.

Protect yourself and your family by knowing these simple lightning safety facts and tips:

- If you hear thunder, you are in danger. Don't wait, seek shelter immediately. Remember, When Thunder Roars – Go Indoors!
- If a building is not available, get into a metal vehicle and close all windows
- Don't use a corded phone except in an emergency. Cordless and cell phones are safe to use
- Because water pipes conduct electricity, don't take a shower during a storm
- Stay away from isolated tall trees, towers, and util-

ity poles. Lightning tends to strike taller objects in the area

- Get an Emergency Weather Radio for latest storm forecasts
- Act fast if someone is struck by lightning:
 - Call 911 immediately
 - Lightning victims don't carry an electric charge and are safe to touch when providing life-saving care
 - Give CPR if the person is not breathing. Use an Automatic External Defibrillator (AED) if one is available
 - If possible, move the victim to a safer place. Lightning can strike twice so don't be another victim

GO BEAVERS!

The Cumberland Beavers Baseball Team saw their playoff run come to an end one game shy of qualifying for the State Tournament. The Beavers beat Bloomer 6-2 Tuesday afternoon to reach the Sectional Final. Unfortunately, Boyceville ended the Beaver's season by a score of 13-2. Congratulations on a great run!

Full details in next week's Advocate.

HIGH LAKE LEVEL PLEASE NO WAKE

Due to the lake being 1 FT over normal for the foreseeable future, Beaver Dam Lake Management has placed these signs at the major boat landings. They are in place to remind boaters to avoid making large wakes during this high lake level period as shoreline erosion, damage to docks and moored boats can occur. We urge boaters on all Wisconsin waters to be aware of higher water levels and monitor your speed accordingly.

2019 Endeavor Scholarships

Congratulations to the 2019 Endeavor Scholarship recipients. Each student will receive \$8,000 towards their college education. Pictured are (standing, left to right): Marjorie Johnson, co-founder of the scholarship, Alexander Wagner, Naomi Rodriguez, Ania Hyatt, Madisen Hullander, JulieAnne Johnson, Kiya Talbot, Janessa Wilt, and scholarship co-founder Claire Johnson. Kneeling (L to R): Autumn Donatell, Payton Nyhus and Bailey Sellent.

People

CORRECTION

In last week's "Letter to the Editor" from Fred Banister on the fight against meth addiction, there was a typo in the first part of the letter. The number listed should be \$6.47 per citizen and not \$637 per citizen. The rest of the numbers are correct.

Card of Thanks

Thank you to the students and teachers from Cumberland Middle School, that raked and cleaned my yard. I deeply appreciated the super job your did.

Veronica Middendorp

Card of Thanks

The family of Craig Greener extends a Thank You to all of our family and friends who have given us so much support and comfort during our husband, father, and brother's passing.

To the Cumberland American Legion Post 98 and the Honor guard for military rites.

To the Cumberland Memorial Hospital's E. R. staff,

Dr. Lingen and the Infusion Staff for their expert care.

To Pastor John Miels for the comforting service and the women of St. Paul's Lutheran church for an excellent meal. Thank you also to Barb Sparish and Dolly Neby for the meaningful music.

To St. Croix Hospice for the care given Craig this past month.

To Skinner Funeral Home

for all their expert and caring arrangements.

Carolyn Greener, Kevin and Jill Knoke & family, Jacob & Jana Heinzelman & family Matt & Jessica Sattler & family Dr. Glen & Sandi Kolb & family, Gary & Sue Larson & family

Sons of Norway June meeting

Sons of Norway Dovre Lodge #353 will meet at the Barron County Government Center on June 11th, 2019 at 7:00 PM. The program will be given by Mary Ellen Ralph on "Her Norway." Lunch will follow the program. Please come and enjoy.

ETC CHILDREN'S THEATER PRESENTS
PETER PAN
By James Barrie, adapted by Craig Sodaro
A Classic Fairy Tale FOR ALL AGES!
The Darling children love to hear of Peter Pan's adventures during his visits through the open window of the nursery. One night, after Nana has taken his shadow and Wendy has sewn it back on, Peter Pan and Tinker Bell whisk the children off to Neverland to be part of the adventures.
Wendy, John, and Michael become friends with the Lost Boys and Princess Tiger Lily, and Wendy becomes everyone's mother. When the evil Captain Hook captures Wendy and the Lost Boys, Peter Pan comes to their rescue. Together with the ticking crocodile, Peter Pan puts Captain Hook in his place and returns the Darling children to their home.

Genealogy Society to document Lakeview/Perley Cemetery

The Blue Hills Genealogical Society will meet at 6:00 p.m. at the Lakeview/Perley Cemetery of Turtle Lake on June 11. They will take pictures and document the text of each gravestone. Anybody who is interested in helping with the project may join them on June 11. Take Highway 8 to 2nd St north, which is between Almena and Turtle Lake, and go about 2 miles to the cemetery on the east side of the road. Bring digital cameras, scrub brushes and notepads and pencils.

The Society has been documenting cemeteries for many years and has a goal to document each cemetery in Barron County. "We have about 8 cemeteries left," said president Gloria Dobberfuhl. "This information can be very helpful in finding family history information on one's ancestors, so we make it available online and in our Resource Library to the public. Go to www.bhgsbc.org to check if your ancestors' cemetery has been documented."

The Society's Resource Library is open Mondays from 2:00-5:00 p.m. and is located at 410 E. LaSalle Ave., Barron, WI, Suite C (enter from the back of the building). The library is free and available to the public.

If you have materials of a family history nature that pertain to Barron County, the Society would be thankful to receive them for preservation. School yearbooks, church histories, town histories, obituaries, family histories, and other records are important resources in researching ones' ancestors.

The Blue Hills Genealogical Society meets the second Mondays of the month at the Barron Senior Center on N. 3rd St. with hospitality at 6:30 and program at 7:00. The public is invited to these informative meetings.

Three certificate programs are open to the public to apply for in honor of their ancestors. The Pioneer certificate honors ancestors that lived in Barron County by 1871. The Century certificate honors ancestors that lived in Barron County by 1919. And the Junior Family Historian certificate is for children ages 8 to 18 to learn more about their family's roots. Information and applications for these certificates are available online at the society website noted above. This year's applications are due to the Society by October 1, 2019 and will be presented at the November meeting.

Information and applications for these certificates are available online at the society website noted above. This year's applications are due to the Society by October 1, 2019 and will be presented at the November meeting.

Library Happenings

by Rob Ankarlo, Director,
Thomas St. Angelo Public Library

School is nearly out, but that doesn't mean our community stops reading and learning. The librarians have organized an exciting space themed summer reading challenge that includes activities, programs and many prizes for readers of all ages. All youth are encouraged to stop into the library to pick up their free 2019 summer reading t-shirt and other materials. Starting June 8th, the family scavenger hunt will officially begin. Youth and their family are encouraged to walk Main Street to locate Astronaut Treky and his spaceship. He and the spaceship will be hidden each Friday afternoon. Youth will be requested to fill out the location on a log sheet and return it to the library weekly to become eligible to win additional prizes. This summer's reading challenge provides plenty of activities for even the most lukewarm reader to get excited about learning during this summer break.

New this year, the TSAP Library is launching a summer reading program designed specifically for adults. The theme is "Wisconsin's Universe" and the program will run through

August. Readers ages 18 and up can pick up their reading challenge check list at the library. Participants are requested to complete 6 out of the 15 challenges to be eligible to win Cumberland Chamber of Commerce Bucks for the grand drawings.

The Friends of the Library will be holding an open house on June 6th from 3:00 - 7:00 PM. The community is invited to share treats, coffee and conversation while celebrating Diana Ostness' 40 years of "gold medal" service to our library.

Scott Spoolman, Cumberland native and author, will be visiting our library on June 13th at 6:30 PM. His last scheduled visit was cancelled due to a spring snow storm. In his new book, Mr. Spoolman will take readers to 28 state parks and forests where evidence of the state's striking geologic and natural history are on display.

The "Magic of Isaiah" program will take place in the Anna St Angelo Children's Room on the second floor of the library on Tuesday, June 18th at 5:00 PM. Magician Isaiah will perform an interactive family comedy show that will

have families of all ages engaged, amazed and rolling with laughter.

The Island City Music Concert Series will begin Tuesday, June 11th. Various musicians will play (Tuesdays from 6-8:00 PM) on the bandstand located in the parking lot on the shore of Library Lake. On July 2nd, the Cumberland TSAP Library Foundation will sponsor the Teddy Bear Band with Blue Hills Chiropractic Clinic and Ardisam. The Teddy Bear Band is known for engaging children in active participation with their upbeat music, and they make every child go away knowing that they are special. Following the Teddy Bear Band, Richard and the Resisters will be performing. They are guaranteed to play toe tapping and knee slapping family friendly rock and roll show.

Thanks again to everyone for supporting the TSAP Library. Your patronage strengthens the library's future funding and supports patrons of all ages. The library is open 7 days a week and it is a community hub where you can check out DVDs, books, magazines, audio books, hotspots, and other materials at no charge.

Additional session of Red Cross Babysitter Certification offered at UW-EC/Barron County

Due to popular demand, a second session of American Red Cross Babysitter Training will be offered at UW-Eau Claire - Barron County. Youth ages 11 and older will learn key childcare components including feeding, diapering, discipline issues and identifying safety hazards at a one-day course on Wednesday, June 19 from 8:00 a.m. to 4:30 p.m. at UW-Eau Claire - Barron County. Also covered will be pediatric safety

and first aid skills, personal safety, finding babysitting jobs and more. Students will gain the skills needed to be confident, capable babysitters. Participants will receive the Babysitter's Training Handbook, Emergency Reference Guide and training CD. Lunch is also included.

Instructor Bambi Forcey has more than 40 years of experience as a Red Cross Instructor in Health & Safety Services courses includ-

ing Lifeguarding, Water Safety, CPR/AED & First Aid, Wilderness First Aid, Emergency Medical Response, Babysitting and Instructors in all levels.

Course fee is \$89 until June 7th or \$99 after; pre-registration is required and space is limited. For more information or to register and pay online, visit UWEC-BC's Continuing Education page at ce.uwec.edu/barron, call Barb Ritzinger at 715-788-6235.

Street closings for Aquafest this weekend

The Rice Lake Police Department would like to remind the community that Main Street from Allen north to Messenger Street will be closed from Thursday, June 6, at 8:00 am to Monday, June 10, at 8:00 am to traffic due to Aquafest events.

Additionally, on Sunday, June 9, 2019 from 11:30 am - 3:00 pm Main Street from Messenger St to Knapp Street will be closed for the Aquafest Parade.

To avoid traffic congestion, the public is reminded the importance of following the detoured route. North-

bound and southbound Main Street traffic should utilize West Allen Street, Wisconsin Avenue and Knapp Street. For the safety of our residential families, please do not travel through residential side streets. Drive safely and thank you for your patience.

CUMBERLAND HEALTHCARE

Opinion

By Craig Bucher

For those of you who read my column know, I am not supporter of President Trump. I have to admit, however, that my life has changed little since he has served as our President. The sun still shines, we still have all the basic necessities of life, and we still are able to get to our doctor when needed. At another level, however, Trump's presidency asks some long range questions of us that will affect our country for our children and grandchildren. President Trump has threatened to impose tariffs on Mexico to the tune of 5% a month until they top out at 25%. I don't know if these tariffs are warranted or not. The real point, I believe, is the manner they are to be instituted. That worries me! Does the President have the authority to create policy such as this or is this creation of policy the role of the Congress? In our system of tripartite government, it seems to me that the legislative body creates policy. Do we want any president to increase the power of the office? I don't. President Nixon has often been accused for attempting to increase the power of the presidency and his Vice President Spiro Agnew, when challenged on the subject, said the critics were just "Nattering nabobs of negativity." Nixon was not successful because Congress stood up. I hope our present Congress will somehow "grow a backbone" and reject this latest attempt by President Trump to move our democracy toward an autocracy. We are a great country because we have had a system of checks and balances and it is time for Congress to assume its proper function, that is to be a legislative body and create policy. That is not the proper role of the President.

SEE YOU NEXT WEEK!

Inside Wisconsin

by Tom Still

Business plan contest finalists reflect a more diverse entrepreneurial Wisconsin

MADISON, WI – At its birth in 2004, the Wisconsin Governor's Business Plan Contest drew far more entries from the Madison area than the rest of Wisconsin. As a result, the bulk of finalists were also from Dane County.

It's a tribute to the evolution of Wisconsin's support system for startups and scale-ups that the contest has steadily become more statewide in the geographic mix of entries, as well as those who advance to the final rounds.

That progress will take center stage June 4th and 5th at the Wisconsin Entrepreneurs' Conference in Milwaukee, where the "Diligent Dozen" – survivors of a contest that began with about 200 qualified entries in late January – will compete for prizes and, more important, exposure.

In truth, it's the "Diligent Baker's Dozen" this year because a statistical tie prompted the addition of a 13th contestant. The group includes seven from Dane County and six others from Kronenwetter, River Falls, Shorewood, Viroqua, Janesville and Fond du Lac. Four are women-led companies.

The improved out-state mix isn't because Madison-area entries were weaker. It's because entrepreneurs

around the state are coming up with more competitive ideas. In the previous 2019 round of 28 finalists, for example, 17 hailed from outside Dane County.

The "Diligent Baker's Dozen" who will deliver seven-minute pitches at Milwaukee's Venue42, just a long three-point shot from the Fiserv Forum, are also a diverse lot when it comes to their plans in advanced manufacturing, business services, information technology and life sciences.

Software service plans include a digital recycling platform that helps consumers recycle right and recycle more; a voice-assistance technology to provide hands-free documentation to child-care centers; and a web platform that uses crowd-sourced data and advanced analytics to enable plant breeders, seed sellers, farmers and gardeners to make more informed choices.

Entries focused on business services include a medical waste disposal company with a device that sanitizes and disintegrates hypodermic needles in less than a second; a prototype of a football helmet modeled after the infant human skull to provide more flexibility; and a maritime training and licensing platform to allow

mariners to complete professional requirements without sacrificing day-to-day tasks required of life at sea.

Manufacturing ideas include a two-seat, high-performance, carbon-fiber kit aircraft that can be built in a two-car garage; a product designed to produce materials that will disrupt the lithium-ion battery market; a proprietary liquid-composite armor technology that absorbs projectile energy; and a metal 3D printing service for affordable prototyping and mass production.

Life sciences plans include a decision support system that backs a digital otoscope with artificial intelligence to present medical practitioner with the most likely diagnosis for middle ear infections; targeted contraceptives for overabundant, feral and invasive species; and a cloud-based dose engine capable of calculating voxel-based absorbed doses for radionuclide therapy procedures.

Over time, more than 3,900 plans from more than 315 Wisconsin communities have been entered in the contest. Finalists have included companies such as RevolutionEHR, Vector Surgical, Nerites, Elucent Medical, Fishidy, Lynx Biosciences, Hyde, bluDiagnos-tics, Strategic Fishing Sys-

tems, Optametra, Platypus Technologies, Reza Band, RoWheels, MobCraft Beer, Sector67 and BadgerBites.

Known today as Eat Street, the founders of BadgerBites built what has become one of the nation's largest online and mobile food ordering and delivery services.

Some lunar-sized craters were left by promising finalists, too, but that's not unusual in the world of emerging companies. A more striking fact is that past BPC finalists have enjoyed a high survival rate, especially compared to the U.S. startup mortality rate overall. Collectively, past contestants have raised at least \$225 million in angel and venture capital and venture debt – all while creating jobs and economic value in Wisconsin.

The Entrepreneurs' Conference will provide a mix of high-level speakers, panelists and more, and a highlight is always the pitches of those whose business plans emerged after scrutiny by nearly 100 volunteer judges. It's worth the trip to see young companies that will make a difference tomorrow.

Still is president of the WI Technology Council. He can be reached at tstill@wisconsin-technologycouncil.com; [sintechologycouncil.com](http://www.wtreps-conference.com); [sintechologycouncil.com](http://www.wtreps-conference.com).

LETTERS Editor

Thanks for the memories

To the Editor:

Since I am probably one of the few people around anymore who remembers both Mr. Alphonse and Mr. Sirianni (in the "A Look Back" photos last week), I thought you might like to hear a couple stories about them.

Besides being the owner of the ice business in town, Mr. Alphonse was the father of Julius Alphonse who was the Captain of the University of Minnesota National Champion Football Team in 1934. He also played pro ball for the Cleveland Rams (no, not the Browns then).

As a side note, I sat next to a stranger at a dinner party

in San Francisco one evening, and he asked where I grew up. I told him Cumberland, Wisconsin, and immediately he said, "That's where Julius Alphonse was from." Wow! Apparently, he'd followed and remembered Big Ten football all his life, because the dinner party was in the 1990's.

My memory of Mr. Alphonse was more personal. He brought ice to our house for the icebox. The fridge came later. And every now and again, when my friends and I were kids, he'd go by on his big ice wagon and toss us a chunk each. I'm sure today the idea that we were delighted seems hard

to believe. But it was the Depression and a free chunk of ice on a hot summer day truly was a treat!

I remember Mr. Sirianni, who went from the peanut wagon in the photo to ownership of the 10-24 Club and the bowling alley. But the story about him comes from my classmate, Earl Meyers, who in high school worked for him and learned a lot. Earl grinned when he told me. Coming home from Barron one day, Mr. Sirianni drove the entire way in 2nd gear. Earl didn't say a word, because he'd already learned that, if you wanted your job, you never corrected a mistake of a self-made man.

Thanks for printing the picture. It took me back.

Criminal Complaints

Louanne M. L'Heureux, 41, of Rice Lake, has been charged with misdemeanor bail jumping. Her hearing will be held July 25, 2019.

Jonathan R. Fretz, 37, of Rice Lake, has been charged with disorderly conduct, domestic abuse. He is scheduled to appear July 31, 2019.

Timothy L. Fellman, 55, of turtle Lake, has been charged with possession of methamphetamine, and possession of drug paraphernalia. His preliminary hearing will be held July 12, 2019.

Lance C. L'Heureux, 37, of Barron, has been charged with three counts of felony bail jumping. His preliminary hearing will be held June 21, 2019,

Nichole K. Hubbell, 23, of Barron, has been charged with operating a motor vehicle while intoxicated, 5th or 6th. Her adjourned initial appearance will be held June 5, 2019.

Meghan M. Lindgren, 33, of Rice Lake, has been charged with possession of methamphetamine, two counts of possession of drug paraphernalia, and resisting/obstructing an officer. Her adjourned initial appearance will be held June 5, 2019.

Lucas D. Libner, 37, of Rice Lake, has been charged with two counts of manufacturing/delivery of methamphetamine, manufacturing/delivery of heroin, possession of methamphetamine, and possession of narcotic drugs. His preliminary hearing is set for June 18, 2019.

Kyle C. Korthof, 30, of Spooner, has been charged with repeated sexual assault of the same child (at least three violations of first degree sexual assault), incest with a child, exposing genitals/pubic area/intimate parts to a child. His adjourned initial appearance was set for June 5, 2019.

Brandon M. Swanson, 36, of Turtle Lake, has been charged with possession of methamphetamine. His adjourned initial appearance

was scheduled for June 5, 2019.

Jeremy A. Gackle, 33, of Chetek, has been charged with substantial battery-intend bodily harm, disorderly conduct, and felony bail jumping. His preliminary hearing will be held June 18, 2019.

Dawn M. Radtke, 42, of Cumberland, has been charged with operating a motor vehicle while intoxicated, 3rd, operating a motor vehicle with prohibited alcohol concentration-3rd offense, operating a motor vehicle after revocation of her driver's license, and misdemeanor bail jumping.

The criminal complaint states that on February 16, 2019, at approximately 2:29 a.m. Barron County Deputy Presley, responded to the area of Highway 48 and 9 1/2 Street in the City of Cumberland to a report of a possible crash.

Deputy Presley arrived on scene and observed a vehicle in the ditch on the north side of Highway 48. The vehicle appeared to have been driven off the roadway into the ditch into deep snow.

A female subject was on scene and approached and stated she was in the vehicle at the time of the crash, but that her boyfriend had been driving the vehicle and that he had left approximately an hour and a half earlier to get help.

Deputy Presley reported there was only one set of tracks coming out of the vehicle (in the snow) and that they matched Radtke's.

During the course of the investigation, Deputy Presley detected an odor of intoxicants coming from Radtke. Deputy Presley conducted a field sobriety test with her, which she did not pass. Her blood was eventually drawn and sent out for testing. The results of said testing from the State Laboratory of Hygiene, reflected Radtke had a blood-alcohol concentration of .208.

If convicted Radtke may be fined not more than \$16,500 or imprisoned for not more than three years and nine months. Her driver's license may also be suspended for not more than three years and six months. Her hearing will be held August 7, 2019.

Jesse W. Andrews, 34, of Rice Lake, has been charged with attempting to flee or elude an officer.

According to the criminal complaint, on Sunday, May 26, 2019, at approximately 3:11 a.m. Barron County Deputies Wiese and Weigand were patrolling westbound on Highway 8, in Barron County, when Deputy Wiese observed another westbound vehicle closing rapidly from behind his vehicle. Deputy Wiese activated his radar, and determined that the vehicle was traveling approximately 75 miles per hour in a 55 mile per hour zone.

Deputy Wiese pulled his squad completely off the roadway to allow the vehicle to pass him, and the vehicle slowed and appeared to not want to pass his vehicle. Deputy Wiese brought his vehicle to a

complete stop and eventually the vehicle did pass his squad car, at which point he was able to observe that the vehicle was a silver four-door sedan.

As soon as the vehicle passed Deputy Wiese's location, he activated his emergency lights and pulled back onto the road behind the vehicle in an effort to conduct a traffic stop. The vehicle then activated it's right turn signal, as if it was going to pull over. The driver continued up to the next intersection, which was 11th Street, and turned onto 11th Street, where Deputy Wiese assumed the driver was going to stop and the driver was just attempting to get off Highway 8.

As the vehicle turned onto 11th Street, Deputy Wiese observed the vehicle accelerate away and continue northbound on 11th Street. Deputy Wiese contacted dispatch and apprised them of the situation, and observed the vehicle continued to accelerate as it traveled north on 11th Street.

As Deputy Wiese was attempting to stop the vehicle northbound on 11th Street, south of 15th Avenue, he observed the suspect vehicle shut off its lights while driving down the roadway, and that a short time later reactivated its lights. Deputy Wiese observed the suspect vehicle proceed straight through the stop sign at 15th Avenue at 11th Street without stopping, and that shortly thereafter, Andrews lost control of the vehicle on the gravel road, fishtailed, and almost went into the ditch on the opposite side of the road just north of 15th Avenue. Deputy Wiese continued to pursue the vehicle and he observed the vehicle turn east on 16th Avenue from 11th Street and proceed through that stop sign without stopping.

The pursuit continued and the vehicle turned onto County Highway T from 16th Avenue, again proceeding straight through the stop sign without stopping. While on County Road T, Deputy Wiese observed the suspect vehicle operating down the middle of the roadway, straddling the center line perfectly. Deputy Wiese continued to pursue the vehicle from County Road T. to eastbound on 16th Avenue. At this time the vehicle reached an extremely high rate of speed and was able to put a bit of distance between him and the vehicle. The vehicle turned north on 14th Street, but Deputy Wiese could not observe whether or not the vehicle stopped at the stop sign.

The pursuit continued northbound on 14th Street until the vehicle turned eastbound on 17th Avenue, the vehicle traveled through the stop sign on US Highway 25 without stopping.

Deputy Wiese continued to pursue the vehicle eastbound on 17th Avenue, with the speeds in excess of 110 miles per hour, until the vehicle reached 18th Street and proceeded northbound on the road. The vehicle turned eastbound on 18th Avenue and then northbound on 19th Street.

Deputy Wiese met another Barron County squad on 19th Street at 18 1/2 Avenue/County Road O. He observed the suspect vehicle turn east on County Road O in the City of Rice Lake. Deputy Wiese and the vehicle proceeded to both roundabouts on the west and east side of US Highway 53. Deputy Wiese was able to close the distance considerably by the time they had reached the roundabout on the east side of Highway 53. Deputy Wiese continued to pursue the vehicle and upon making the curve on East Sawyer Street, he lost sight of the vehicle.

Deputy Wiese was advised a short time later by Rice Lake Officers that Rice Lake had located the suspect vehicle at a residence, and that he and other officers responded to that location. Upon arrival Deputy Wiese recognized the vehicle as matching the one he was pursuing and that the hood of the vehicle was hot to the touch.

Rice Lake Police Officers advised they knew from prior contacts that Jesse Andrews frequently operates the vehicle. The officers also advised that the residence where the vehicle was located was also Andrews' residence. When they knocked on the door Andrews answered the door and Deputy Weigand recognized Andrews as the subject who had been driving the vehicle they were pursuing.

Deputy Weigand later questioned Andrews, who acknowledged that he had seen police lights behind him, and that he was trying to get as far ahead of law enforcement as possible to avoid them. He admitted that he turned his headlights off during the pursuit in an effort to avoid detection.

If convicted Andrews may be fined not more than \$10,000 or imprisoned for not more than three years and six months, or both. Upon conviction the department shall revoke his operating privileges for six months. His preliminary hearing is scheduled for June 6, 2019.

Cumberland Police Dept. Call Log

Saturday, May 25

Officer was out with a vehicle that had stopped in the middle of the road on 13th Street and 13 1/2 Avenue. Subject told Officer he stopped to use his cell phone. Officer advised him to not stop in the lane of traffic the next time he wanted to use his phone.

Officer was advised of a black car swerving all over the roadway northbound on 8th Street on the wrong side of the road. Driver was out with the vehicle south of 21st Avenue. The driver had not been drinking but has some cognitive issues.

Officer administered a preliminary breath test to a subject with the reading of .04. Subject's probation officer was contacted-they did not want to place a hold on the subject, but advised he is to contact his agent on Tuesday.

Ten units responded to a call of someone who had jumped into Beaver Dam Lake and did not come up. A helicopter was contacted. The units advised they were unable to see the subject. A Barron County Deputy got a boat. One minute later they had the subject out of the water. The helicopter was redirected to the hospital. The victim was flown out at 3:56 to Regions.

Subject advised of a lot of yelling and someone threatening to kill the other one at a residence in Cumberland. Officer was giving one of the subjects a ride to his residence.

Vehicle owner was stopped for speeding. Officer thanked her for her service and gave her a verbal warning about speeding.

Another vehicle was stopped for speeding. Officer warned her to slow down.

Officer received a call from a male subject advising another male subject had locked a female subject in their house across the street from the Food Pantry. Caller advised she is unable to get out and told the caller to advise the police. Officer arrived and was advised everything is OK.

Sunday, May 26

Officer stopped vehicle and advised the registered owner to get his license plates up to date and to remove the obstructing license plate bracket.

Monday, May 27

Officer received a 911 call from a subject advising that he believes his neighbors had a party last night and shot his screen with a BB gun. Officer arrived and advised that someone had thrown a rock at their window and had broken it. The caller just wanted it logged at this time.

Subject was cited for speeding.

Subject called and advised the downstairs neighbors were possibly having a domestic. The subject hears stuff breaking and yelling and screaming. Officer received another 911 call advising caller witnessed two subjects jump out a back window and run down the street. Officer stopped the subjects and no one is cooperative.

Officer received a call from Polk County advising they took a call from a bartender in their county advising that a male subject ran into the bar frantic stating someone just took his vehicle with his child inside. Before the bartender could get any more information the subject took off on foot with a female eastbound on County Highway E. Several units and Cumberland unit will sit on Highway 48 and 2nd Street and watch for vehicle. The units were later advised the suspect vehicle was spotted in Burnett County.

Tuesday, May 28

Officer received a call from a subject who advised she located a cell phone in the road while she was driving along Beaver Dam. She called the subject who stated she had lost her phone. She advised she dropped the phone off at the Cumberland Police Department.

Officers received a 911 call from a subject who advised she is following a white SUV pulling a trailer that is swerving all over the road. She advised the vehicle pulled into a convenience store. Officer advised he is behind the vehicle on Highway 63 which is now headed southbound toward Turtle Lake. Officer stopped the vehicle, the driver had not been drinking.

Wednesday, May 29

Officer received a 911 call, the line was open and it did not sound as if there was an emergency. Information showed the call to originate from an address on Jeffrey Blvd. Officer checked along Beaver Dam Lake, there was construction in the area, no one was in distress.

Officer was advised of a vehicle that was parked at Dairy Queen with an infant in the back seat and no adult around. Caller gave the Officer the license plate of the vehicle. The vehicle was gone when the Officer arrived.

Officer received a 911 call from a subject who advised his ex-girlfriend is making suicidal statements. He advised they had broken up today, and she contacted his roommate and made statements. He does not believe she has any weapons in the house and reported that she lives alone. Officer advised that he would be

Beavers Win Regional Championship; Head to Sectional

The Cumberland Baseball Team defeated St. Croix Falls and Spooner last week, to take home the Regional Baseball Championship and earn a berth at Tuesdays Sectional in Chippewa Falls. Two wins there will take them to the State Tournament for a sixth time. Neillsville, Bloomer, and Boyceville joined the Beavers in Chippewa Falls.

Things began last Tuesday with a thrilling 2-1 victory over St. Croix Falls. No-hit for six innings and trailing 1-0, Cumberland scored two runs in the bottom of the seventh to pull out a thrilling victory in front of the home fans.

Prior to the seventh, Saints Sophomore Jerad Lessman had dominated the contest, striking out 11 Cumberland hitters. "He had a great change-up and is a very good pitcher," said Coach Joe Waite. The Beavers, however, would save the best for last.

The bottom of the inning began with a walk to Jack Martens. He then stole his 40th base of the year, a new school record. He was sent home with the tying run, moments later, when Senior Trystin Neitzel sent a double to the left center field wall scoring Martens.

Sam Scradle, pinch running for Neitzel, would eventually get to third base, where he would then score the winning run on a single to left by Maddox Allen. The Beavers bench erupted as players celebrated the come from behind victory.

"Maddox loves big moments. He fouled off two tough pitches and then stayed on a pitch and drove it to left. It was really a big moment for the team," said Coach Waite.

Waite also praised his starting pitcher, Reid Olson, who pitched six strong innings to keep the Beavers

in the contest. Wyatt Tift pitched the seventh to take the pitching victory.

Pitching less than a week after surgery on his left hand, Olson gave an outstanding effort. "Reid figured out how he was going to catch the ball back from the catcher in the bullpen before the game; softly back to his glove side. He battled through a lot of big counts and walks, but he got out of every jam but the one in the third inning," added Waite. Olson struck out five while walking six Saint hitters.

This sent Cumberland to Spooner on Wednesday to play the Rails for the Regional Title. Again, an exciting contest would turn into a 6-4 Beavers victory.

Cumberland trailed 4-2 after four innings, but took the lead for good with a three-run fifth. Wyatt Tift and Dylan Wackerfuss had big singles in the inning. The Beavers would get 12 hits in the contest, two each by Dylan Weber, Riley Bodsberg, Tift, Allen, and Wackerfuss.

Tift took his second win in two days with six innings of work. The save came from Jacob McWilliams, who pitched a one-two-three seventh inning. "Both pitchers threw well and Mac has come up big for us the past two weeks," said Waite.

Waite also credited Riley Bodsberg with "another great game in centerfield" and called a Cumberland double play in the fifth that got them out of a bases loaded situation, "a big play in the game."

Cumberland opened up the Sectional with a game against Bloomer, a team they've already beat twice this spring. The winner of that game will play the winner of Boyceville and Neillsville to go to next weeks State Tournament in Appleton

All Conference

Rylee Stauner (left) was named First Team All Conference while Maya Brenna was selected Second Team All Conference. Congratulations girls!

Soccer All-Conference Team Named

Two members of the Barron-Cumberland Co-Op Soccer Team have been named to the Middle Border All-Conference Team. They were Sophomore Rylee Stauner and Cumberland Sophomore Maya Brenna.

Stauner was selected as a First Team forward and Brenna a Second Team midfielder. This is the second time for both players to be selected to the Middle Border All-Conference

team, as both were Second Team selections in 2018.

New Richmond Junior midfielder, Maya Greenquist, was named Player of the Year and Amery Head Coach, Melissa Hanson, the Coach of the Year. New Richmond claimed the "three-peat" Conference Championship remaining undefeated in the Middle Border for a third straight year.

Regional Champions!

2019 Regional Champions. Pictured back row from left are Head Coach Joe Waite, Travis Runberg, Dylan Wackerfuss, Dylan Weber, Josh Martens, Maddox Allen, Isaiah Patrin, Lucas Anderson, Sam Schradle, DaShaun Ames, Carter Bickle and Ryley Otto. On To Sectionals!

All-Conference Baseball

The HON has named its All-Conference Baseball Team for 2019 season and five Cumberland Beavers have received recognition.

Named to the First Team was Senior Riley Bodsberg, while Senior Reid Olson, Junior Travis Runberg and Senior Wyatt Tift were named to the Second Team. The final Cumberland player to be honored was Sophomore Jack Martens, who was named Honorable Mention.

The Beavers finished in fourth place in the HON with a 9 and 5 record. Spooner and Northwestern were Co-Champions at 12 and 2. "We had some tough losses along the way, but were in the chase until the last two games of the season," said Coach Joe Waite.

Bodsberg hit at the top of the order, where he set the table for an explosive Cumberland offense. Named at the outfield position, Bodsberg hit .462 in HON play scoring 19 runs and stealing 14 bases.

Olson barely missed the First Team infield, hitting .375, while driving in seven runs. Tift was a Second Team choice on the mound, with a 5-3 record. He would add a .324 batting average to his season. Runberg, meanwhile, was a solid defender at catcher, while hitting .340. He would drive in 14 Cumberland runners.

Sophomore Jack Martens was the final honoree, as he hit .314 in HON play. An Honorable Mention repeat choice, he had 21 stolen bases in the 14 Conference games and will set a new School record in that category.

"They are all very deserving of their recognition. They were the leaders of a team, who worked hard to compete against the best the area had to offer all spring," said Coach Joe Waite.

The Beavers celebrate after winning the 2019 Regional Championship 6-4 over Spooner at Spooner. Photo by Bob Nugent

Trystin Neitzel connects with the Beavers first hit, a huge double in the bottom of the seventh inning to tie the game against St. Croix Falls. Maddox Allen followed with the game winning single to move the Beavers on to Spooner. Photo by Bob Nugent

Sandman Participates in Sectional Golf Tournament

Cumberland's Ethan Sandman was among the competitors participating in the WIAA Golf Tournament held at the Cumberland Golf Course last Tuesday. When the action was over, Luck/Frederic took home the team title with a score of 338, while Spring Valley was second with a 339.

Sandman shot a 98 on the day, not good enough to advance. The days best scores of the day came from Brett Klabunde of Cameron and Isaac Larrabee of Eleva Strum, who both shot a 75. After three extra holes of play, Larrabee won medalist honors with a birdie on hole three. Jared Lee of Grantsburg shot a 77 to also advance the State Tournament at University Ridge in Madison.

Ethan Sandman at the start of the 2019 HON Golf Sectional getting course rules from John Schell.

All Conference Track and Field

Named All Conference in Track and Field are back row from left Isabella West, Autumn Donatell, Faith Mathison, Emma Stokes, Mackenzie Johnson and Emily Schmitz. Front row from left are Zach Hullander, Max Brenna, Blake Siebert, Yannick Woehle and Matthew Friess. West was named First Team, Donatell, Schmitz, Mathison, Stokes and Johnson were named Second Team. Honorable Mention were Hullander, Brenna, Siebert, Woehle and Friess. Donatell was named Second Team twice while Johnson was also named Honorable mention.

An Outdoorsman's Journal

by Mark Walters

Growing Up

Hello,
This week instead of my dad writing, I, Selina, am writing to you all. As many of you may know, I graduated from Necedah High School this last Saturday, May 25. I have lived in Necedah all of my life, and accomplished many things throughout my time there, but this is my biggest accomplishment yet.

Because I have three older brothers, I have watched them all graduate one by one, and never felt as if it would be my time, but now that it has come and passed it honestly just feels kind of weird, and surreal.

Since I am heading off to college next year, I applied for as many scholarships as I could. One of the questions that many scholarship applications asked was "What has influenced you to make the career choice that you have?" And for this I always had the same answer. My Dad, and his career have had a major impact on who I am and the person that I wish to become. I am so incredibly happy for the opportunities that I have had because of the outdoors and my family.

Lately I have been doing a lot of reflecting on the past as I move into the future. As I reflect the main things that I think about are what I am grateful for. I obviously am very grateful for the outdoors and all of the experiences that it has provided me, but also the people who I have met because of it. As I've grown up I've always been the baby and oftentimes the only girl. So watching everyone around me mature has forced me to mature much faster than a lot of people my age, and being around men has made me insensitive to some of the things that maybe a lady should be sensitive to. It has affected my sense of humor, lifestyle, and even the way that I talk at times.

There are many of my dad's friends who I would not have had the opportunity to meet if not for this involvement. To my uncles, cousins, and family friends who I see every year at deer camp, Canada, and duck camp, to the people who I may have only met

once or twice because we have stayed with you, or you have let me hunt on your land, I would like to thank you all for all you have done for me.

I also have had many opportunities and experiences that many girls my age have not had because of my dad. When I was only three months old I went on my first camping trip and I have loved it ever since. Not only have I enjoyed camping, but I also really love hunting, fishing, exploring, and learning about the outdoors. My favorite thing that I have done so far is shooting my bear. I know what it feels like to experience the rush when you are hunting and finally see what you are out for, but when I saw my bear it was totally different. It was like that times ten, I was shaking and I couldn't stop myself. A lot of people ask me if I was scared at the time, but I was just so caught up in the moment that being afraid of the bear mauling me was not even a thought. There is nothing that has ever made me feel that way before, and I will never forget it.

I have been very active within my school, and involved in almost every club that we have to offer. On top of academics and extra-curricular, I also ran cross country, worked part time, and tried to balance a social life on top of everything. I do not regret any of this, and also learned a lot about myself through all of that, and had a lot of fun doing it. You may have noticed that unfortunately over the last couple years I have been appearing in my dad's column less and less, and this only because I have been so busy with everything previously stated in this paragraph. In no way am I less involved or interested in the outdoors, I just have a lot more on my plate. This will soon become even more difficult as I head off to college in September, and try to create a new life for myself and become my own person. I want it to be very clear though that as I continue to grow I want to learn more and more about the outdoors and create this into a career for myself. In the last couple of years I have become very interested in pollution, especially ocean

Often times my Dad is put behind the camera and chooses to write about others but if it were not for him I would truly not be the person that I am today.

This picture was taken this winter with my two dogs and two of my best friends, Fire and Ruby.

acidification as this is a major issue that many people don't know about.

I am very excited to head off to UW-Stevens Point, but will never forget where I came from and who has helped me get here. Thank you to everyone who has helped me, and followed along with my life over the past 18 years, hopefully you will be able to continue to for a long time!

Softball All-Conference Named

Four Cumberland Softball players have been recognized by the HON as part of the 2019 All-Conference team. They include First Team selections Lauren Green, Payton Nyhus and Ellie Rieper and Honorable Mention choice Emma Erickson. Cumberland finished in third place in the HON with a 10-4 record and 14-8 overall.

Green was the 2018 Conference Player of the Year

and had another solid campaign this spring. Having an above average fastball, she threw three no-hitters this season, while also being one of the leagues top hitters.

Rieper was named as catcher where she has put up good power numbers since her career on varsity began. Nyhus has also been a solid hitter and was named at one of the infield spots. She will also return

to be one of the HON's top pitchers next spring, where Rieper and herself will be one of the Conferences best batteries.

Senior Emma Erickson was a final Cumberland honoree, as she was named as a Honorable Mention infielder. "Emma was a solid contributor to our teams success. We're proud of these awards winners as well as our entire roster," said Coach Colin Green.

Named to the 2019 HON All Conference Softball Team are from left Ellie Rieper First Team, Emma Erickson Honorable Mention, Lauren Green First Team and Payton Nyhus First Team. Congratulations girls!

BARRONETT NEWS

By Judy Pieper

Another beautiful weekend! We were so glad the weather was nice on Sunday because that was the day of Olivia Marsh's graduation party. The party was hosted by her parents, Jim and Summer Marsh, at their home in Rice Lake. The party was catered by Wicked Whisk and, let me tell you, the food was delicious. Olivia will be starting school this fall at Arizona State University in Tempe, AZ., majoring in political science.

Richard Jerry, son of Tina and Kirk Jerry, graduated from Cumberland High School. He will be leaving for Universal Technical Institute (UTI) in Lisle, Illinois this week to start classes in diesel mechanics on June 10th.

Taylor Eiche, who graduated from Shell Lake High School this past week, was the recipient of the Barronett Civic Club Scholarship. The scholarship was presented to Taylor by Judy Norton.

Duane and I were finally able to get some gardening done. Duane rototilled the north flower bed on Friday, and I planted cosmos, petunias and chrysanthemums. Then we went to the vegetable garden and planted potatoes, onions and corn. We still have a lot to do, but at least it's a start.

And, the rhubarb is ready!! If you need any, please let me know and I'll be glad to give you some. I have already made two batches of rhubarb/strawberry jelly, and I'm sure I won't have any problem getting rid of that-especially with a nephew like Art Adams living close.

And, the asparagus has been ready for about a week. Duane doesn't eat asparagus, but I have had creamed asparagus on toast about four times already. It's impossible to use as much as we have while it's fresh, so I plan to freeze a lot and enjoy it this winter.

We got a call from Delores Ytreus on Saturday morning. She and her son, John, have been keeping busy out in Bellflower, California. And, I'm happy to report that they go out to eat just as much as Duane and I do. This past week they had a meal at Red Lobster, and then on May 25th, which is John's birthday, Delores treated him to dinner at Norm's. She was also

out playing Bingo one day last week. She said that she didn't win anything, but that she had a lot of fun anyway.

Lynn Thon, Jamie Lombard and I took Kaitlynn, Jessica and Kane to see the movie, *Aladdin*, at Rice Lake on Sunday afternoon. I'm pretty sure that we adults enjoyed the movie just as much as the little ones did. Kane, who is a totally unselfconscious little guy, danced along with the cast to most of the music. It was great!

Sue Meier had to go back to Monroe on Wednesday of last week. But, before she left, I put her and Sharai Hefty to work helping hang curtains in the treehouse. I have to get it all spiffed up because I'm going to host a Pampered Chef party up there sometime in June. In case you are interested in coming to the party, I will give you the details in next week's news.

The Olson clan have been very busy. You know that Pat's ice cream parlor, The Scoop and Brew, opened last week. And, John at Lake View now has the second floor deck open for his adult patrons to sit and have dinner and a drink, while enjoying the view of beautiful Shell Lake. And, last but certainly not least, Justin and Casey now have the Hilltop open. Justin and Casey opened Hilltop last Saturday evening for family and friends, and will now be open to everyone every Friday, Saturday and Sunday. Duane and I were among his many guests on Saturday, and we were very happy with the food and friendly service.

Duane found a new recipe for mosquito repellent while he was scrolling through Facebook. If you are having a campfire, get some fresh sage or rosemary, wet it down, put it in aluminum foil, poke holes in the foil, and throw it on the fire. It will smolder all night, and according to people who have tried it, it keeps the bugs away. Worth a try.

Happy birthday wishes go out to Anita Lehmann, who will be celebrating her special day on June 7th. If you see Anita, be sure to wish her a happy birthday.

That's about all I know from Barronett this week. Enjoy the weather - hope you get all your gardening done. See you next time.

A View From Above!

Marty Peters captured this photo from his drone of ICA kids enjoying Beaver Dam Lake in Kayaks.

OBITUARIES

James R. Hubin, James R. "Jim" Hubin, 79, of Shell Lake died Friday, May 31, 2019 at Sacred Heart Hospital in Eau Claire. He was born March 2, 1940 on the home farm in Shell Lake to Walter and Florence (Rounds) Hubin. Jim was raised in Shell Lake and graduated from Shell Lake High School.

He entered the U.S. Air Force and was honorably discharged after four years. After his service, he operated a television repair shop for several years. He was married in St. Paul Lutheran Church, Cumberland on May 11, 1974 to Patricia A. Hansen. He took over operation of the family Jersey dairy farm around that time

and he continued farming until retirement in 1999.

Jim looked forward to his daily crossword puzzles. He was a lover of historical books, loved to cook until recent years and solved many of the world's problems at the kitchen table with his dear friend, Herb Schrankel. When able, Paul and Marv Schaefer would join the discussion. Jim was also an avid fan of Wisconsin sports including the Brewers, Packers and Badgers.

He is survived by his wife, Pat of Shell Lake; children: Joshua Hubin of Cameron and Aaron (Sara) Hubin of Shell Lake; siblings: Peter (Betty) Hubin of Spooner and Dan Hubin of Shell Lake; nieces, nephews, other relatives and many friends. Jim was preceded in death by his parents; brothers: David and Paul; sister-in-law, Lynn Hubin.

Funeral services will be held at 11:00 AM Friday, June 7, 2019 at Shell Lake United Methodist Church with Pastor Steve Miller officiating. Burial will be in Shell Lake Cemetery. Pallbearers are Chris Hansen, Paul Hansen, Todd Schran-

kel, Chad Schrankel, Patrick Severson and Peter Schrankel. Military Honors will be accorded by the Shell Lake Honor Guard and the Wisconsin Military Honors Team.

Visitation will be from 4:00 to 7:00 PM Thursday at the Skinner Funeral Home in Shell Lake and for one hour prior to the service on Friday at the church.

Skinner Funeral Home of Shell Lake is serving the family.

One Family *By Joseph J. Mazzella*

When I was a boy our extended, immigrant family would sometimes gather together at my Great Aunt's tiny house over the summer. Relatives from all over the country would come in to visit. The adults would crowd together in the living room, around the kitchen table, and on the front porch to talk and catch up on each other's lives. All of us kids would be sent out into the front yard to play while dinner would slowly cook for all of us.

Those were the days before video games, smart phones, and motorized toys, so we often ended up playing a good old-fashioned game of tag. I remember one of those times especially. I was the youngest and smallest of all the kids there so I got caught first and couldn't catch anyone else. As hard as I chased after my brothers and cousins they were all too fast for me. I grew more and more frustrated. I finally lunged at one of my brothers and fell face first into the dirt.

I got up with tears forming in my eyes. Then I saw one of my female cousins standing there. She started to run but was going much slower than before. I easily caught up and tagged her. Then she turned to me, smiled, and said, "I'm it! You'd better run!" I ran off laughing with glee while she turned and started to chase one of my older brothers.

I see now how her act of kindness that day saved me from sadness and returned me to joy. It didn't matter that we hardly ever saw each other. We were family

and she loved me.

In her wonderful book: **BOX OF BUTTERFLIES**, the "Touched by an Angel" actress Roma Downey writes, "We are all one, we all belong to each other, we are one big, beautiful family of God." Perhaps it is time that we all started to treat each other that way. Perhaps it is time that we shared our love, our kindness, our laughter, and our joy with everyone without fear. Perhaps it is time to finally and forever bring this world together in one, big, family reunion.

Worship Service and Pot-Luck at the Section 10 (East Cumberland) Church Sunday, June 9 at 11am

The Section 10 church is located on 10th Street just north of Highway 48. All Are Welcome

Church Directory

"Sharing the Love of God"

**By: Pastor Diane House
McKinley Lutheran Church**

The Lord is my shepherd, I shall not want. He makes me lie down in green pastures; he leads me beside still waters, he restores my soul. He leads me in right paths for his name's sake.

Even though I walk through the darkest valley,

I fear no evil; for you are with me; your rod and your staff-they comfort me.

You prepare a table before me in the presence of my enemies; you anoint my head with oil; my cup overflows.

Surely goodness and mercy shall follow me all the days of my life, and I shall dwell in the house of the Lord my whole life long.

Green pastures, still waters, beautiful valleys, and walking paths all make up the beautiful surroundings, we are blessed to live in here in the Cumberland area. What a joy it is to watch winter give way to spring and summer. I take delight in each returning bird visitor to my feeders. I love to drive through the countryside and watch the hard work of area farmers readying the land for planting.

The familiar words of Psalm 23 remind us that God is with us in the change of the seasons, in our work and in our play. May we all say and do as we are "out and about" in God's beautiful world, reflect our belief and reliance on Him. Jesus says in the gospel of John, chapter 13: "Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another." As you go about your daily work, as you enjoy the lakes, valleys, and summer weather, in everything you do, may you share the love of God within the way you love and help your neighbors.

WI DOT/DNR: Motorists and ATV/UTV riders urged to share the road safely

Stay alert as the weather warms and riding conditions improve

Spring and summer in Wisconsin are great times to take the family on a road trip or hop on an all-terrain or utility-terrain vehicle (ATV/UTV) for some outdoor fun. The Wisconsin Department of Transportation (WisDOT) and Department of Natural Resources (DNR) are asking everyone – no matter what they're operating – stay attentive, patient and safe.

ATV/UTV registration grew 19 percent over the past five years, totaling 396,611 at the end of 2018. Motorists and riders could be sharing the road more frequently in some areas. State law now allows municipalities to authorize ATV/UTV use on roadways with a speed limit of 35 mph or less.

"ATVs, UTVs, cars and trucks offer different driving experiences, but one factor holds consistently true – no matter what you drive, even a momentary distraction can create a tragedy," said WisDOT Secretary-Designee Craig Thompson. "It's important that we all look out for one another."

WisDOT published a website for riders and local officials who are interested in learning more about the 2017 law changes and requirements to establish ATV routes within their jurisdiction. The website also contains a downloadable flier for anyone who'd like to encourage motorists and riders to share the road. The DNR publishes additional resources to assist ATV and UTV riders with safety courses, vehicle registration and knowledge of the law.

"Whether you're behind the wheel or behind a set of handlebars – think safety," said DNR Recreation Safety and Outdoor Skills Captain April Dombrowski. "ATV/UTV riding is among our state's favorite recreational activities in the summer months. Whether you are riding for work or for fun, stay safe and be responsible."

Safety tips for motorists:

- Watch for riders. Always eliminate distractions. Be patient and stay focused.
- When you approach an

ATV/UTV on the road, slow down and be patient for a safe opportunity to pass.

- As ATV/UTVs are much wider than bicycle or motorcycle, motorists are likely to require space from the opposing travel lane while passing.

- Keep an eye out for ATV route signs and remember the law allows postings at territorial boundaries so motorists may not see additional signage along individual roads.

Safety tips for ATV/UTV riders:

- Stick to authorized areas. Most highways and roads statewide remain off limits. Check for ATV/UTV route signs or with local authorities to see if certain highways and roads are legally open.

- Travel at an appropriate speed and remain aware of your surroundings.

- Consider wearing high-visibility gear. As some drivers might not expect to be sharing the road with an ATV/UTV, it can help to be seen from afar.

- Riders are required to operate headlight(s) when on or around roadways.

- Helmets and protective gear save lives and are highly encouraged for everyone, but also are a legal obligation for riders and passengers under 18 with limited exceptions. Get the facts here.

- All UTV riders and passengers must have seatbelts fastened at all times.

- It is illegal for passengers to sit anywhere not specifically designed or intended for passenger use.

- Never consume alcohol or drugs before or during ATV/UTV operation.

Northwoods Notebook: ...

We got the seed money, found groups willing to play and have learned that the parking lot behind the library makes a fine lake-front setting for showcasing the talent we have in Cumberland. The school district agreed to bring its kayaks to the lake on concert nights, and the Thomas St. Angelo Public Library is open until 8 so we have access to restrooms. And Nezy's Isle Event Center has served as a rain venue.

Paul Bucher, publisher of the Advocate, has provided ads to promote the events.

I hope to see you on June 11 and at the other nine concerts. Here are those nine events and their sponsors:

June 18: Ron Ruppel & Jazz Alley, Comstock Creamery;

June 25: The Stringsmiths, Lakes Title;

July 2: Teddy Bear Band, Ardisam, Blue Hills Chiropractic and the Thomas St. Angelo Public Library Foundation;

July 9: Indigo Quartet, Louie's Finer Meats;

July 16: The Git Backs, Peter & Annie's World Market;

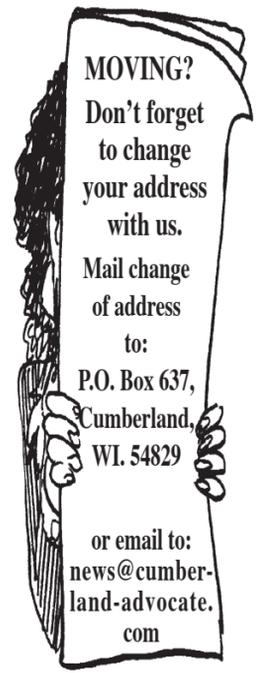

July 23: Cool to the Touch, ETC;

July 30: The Manfred Experience, Nezy's;

Aug. 6: Bare Minimum, Cumberland Boat Storage, Dock & Lift;

Aug. 13: The Wistrills, Johnson Agen Kupfer-schmidt.

CPD Call Log...

making contact with Northwest Connections. He did so and they set up a safety plan where she will be calling them later and tomorrow to check in.

Female subject called and advised Officer she has a male subject in her apartment and she does not want him there. The male subject was on the sidewalk and then went back into the apartment.

Officer advised there is a vehicle parked in the wrong direction.

Subject called and advised he was assaulted about 45 minutes ago by another male subject. Officer arrived and advised the subjects when they have not been drinking to contact him and fill out statements. The complaint was unfounded.

Thursday, May 30

Officer received a call advising that a small SUV pulled out in traffic and subject had to honk his horn at him. The caller advised that the vehicle then pulled up next to him and began yelling at him. They then exchanged words in a parking lot where the subject continued to yell. Caller advised extreme road rage and was willing to make a statement in court. Caller would like to speak with an Officer. Officer attempted to make contact with the reporting party but the phone voice male is full.

Officer received a call from a female subject advising her daughter had items taken from her vehicle and there is also some damage to the vehicle. She advised they will wait for an officer at the school.

Friday, May 31

Officer received a 911 call from a male subject advising that his son was home. His son advised that the neighbors were fighting outside. Officer's partner received an additional call from the juvenile on scene, who stated the female was talking about being chased with a knife. Officer arrived and female subject advised she is leaving for the night with the children. She advised nothing physical happened.

Officer was advised of a pickup truck all over the roadway on Highway 63 southbound north of Cumberland. Officer conducted a traffic stop of the vehicle on 2nd and Sorenson.

Female subject advised that her boyfriend has been harassing her by phone and she wants this documented. She also stated that she can not block his number due to the fact that they use that phone for contact between him and child. Officer advises subject to file for a restraining order. Officer received another call from female subject advising that her ex is still harassing her. She gave him the times of the long harassing tests. Officer advised her she needs to place a restraining order.

Caller advised there is a lot of screaming going on at the house next door. Officer arrived and advised there were three parties involved, one of whom took off. Officer advised it was only verbal at this time. He is unable to locate the subject who had taken off.

**Cumberland School District
Employment Opportunity**
English as a Second Language Teacher Posting
Job Title: Full-Time English as a Second Language Learner Teacher (ESL)
Job Description: Full-time teaching position at the Cumberland School District, effective at the start of the 2019 - 2020 school year. This individual will support the work of the general education teachers in the classrooms and will provide additional support outside of the classroom for students in our ELL program. We will work to improve, develop, and maintain active student participation in our inclusive educational environment by using researched based strategies to help our ELL students. The teacher will:
• Deliver the school curriculum in large group and small group format to classes.
• Work collaboratively with grade level teams to provide ELL support for students in need including modifications and accommodations for classroom setting by writing required Individual Student Plans.
• Maintain positive relationships with students and families.
• Administer the required state ACCESS test to identified students along with Director of Learning.
• Work directly with the Director of Learning to continue to provide proper support to all ELL Students.
• Attend all staff meetings and recommended required trainings.
• Enter data, analyze and/or report in an accurate and timely manner.
Qualifications: A Wisconsin Department of Public Instruction License (1395) English as a Second Language. Bilingual preferred (1023)
How to Apply: If interested in this position, applications are taken through the WECAN website: https://wecan.education.wisc.edu or mail or email resume, letter of interest, three letters of recommendation and copies of transcripts from all attended universities to:

2019 State Track and Field

Autumn Donatell gets ready to pass the baton to Emma Stokes in the 4x200 meter relay.

Izzy West readies for a throw in the shot put. Izzy finished in 12th place

Emily Schmitz receives the baton from Emma Stokes in the 4x200 meter relay.

Mackenzie Johnson hits the finish line ahead of a Prairie Farm runner. Johnson participated in the 4x200 meter relay and took 7th in the 200 meter dash. Johnson set a new school record with a time of 26.45 seconds.

Cumberland Sends Five to State Meet In La Crosse; Johnson Places Seventh In 200 Meter Dash

Cumberland Senior Mackenzie Johnson placed seventh in the 200-meter dash at last weekend's State Track Meet in La Crosse. She was one of five Cumberland girl athletes representing Cumberland in the Meet. "I was very proud of our entrants and their performances," said Coach Ryan

O'Connell.

Johnson qualified for the finals on Friday and then took home the seventh place position in Saturday afternoon's race. She ran a new School Record 26.45 in finishing behind State Champion Delanie McFadden of Ozaukee, who took first with a time of 25:13.

Johnson showed a strong finishing kick in both of her races in La Crosse.

She will be taking her talents to UW-Stevens Point next fall, where she will be part of their track program. In a great story, Johnson ran in the same race her mother, Karen Waite, ran in years before her. Waite was the

first Cumberland female to run at the State Meet. "Mackenzie had a great senior season," said O'Connell.

Johnson also ran on the 4x200-meter relay team on Friday, with teammates Autumn Donatell, Emily Schmitz, and Emma Stokes. The team would finish fifteenth with a time that was

just .3 off the School Record, but not good enough to make the Finals in Saturday. "We had a couple mishaps with our handoffs that hurt us a little, but the girls still ran a good race," said Coach O'Connell.

Cumberland's final competitor was Izzy West, who did not place, but took 12th

in the shot put, with a throw of 34'10". Aubrey Schoeneman of Mercer won the event with a throw of 43'3.75". Four girls threw over 40 feet in the event. "Izzy only started throwing the shot last year, so making it to State was a big accomplishment for her," said Coach O'Connell.

ETC Children's Theater presents *Peter Pan*

Enrichment Through Culture (ETC), Cumberland's arts council, will be presenting its annual children's play, *Peter Pan*, June 7-9 and 13-15 at the Cumberland Arts Center. Tickets are \$10 for adults and \$5 for students.

This year's play is the classic story of Peter Pan and the Darling children who love to hear of Peter's adventures during his vis-

its through the window of their nursery. The children, of course, are whisked off to Neverland by Peter Pan and Tinker Bell and end up being captured by the evil Captain Hook.

The play is directed by Phil Warner, music teacher at Cumberland Elementary School.

All performances are at 7 p.m., except Sunday, June 9, when the performance is

at 2 p.m. Tickets can be purchased at Peter & Annie's World Market in downtown Cumberland or by calling ETC's reservation line - 715-822-2787. The Cumberland Arts Center is located across from the elementary school at 1595 Second Avenue.

Questions? Email Larry Werner at lhwner47@gmail.com.
