Endeavor Scholarships!

Seven CHS students were selected to receive an \$8,000 Endeavor Scholarship at a year end ceremony held at the school. Students must have a B average their senior year to be eligible for the scholarships and remain in good standing at their respective universities. Pictured left to right are Endeavor Scholarship founder Marj Johnson, students Indira Rodriguez, Roman Ranallo, Sasha Allis, Omalley Thompson, Andie Otto, Erin McCreary, Cora Flottum and Endeavor Scholarship founder Claire Johnson.

Stabbing in Cameron; Suspect in Custody

Michael Townsend
On Monday, June 5, 2023, at 8:46 a.m., the Barron County 911 Center took a call from a female stating that her son had stabbed her in the neck area. The female had fled the house and the son was still inside. Deputies from the Barron County Sheriff's Department along with the

WI State Patrol, Chetek Ambulance, Cameron Fire Department and Life Link Helicopter all responded to the scene. The Barron County Sheriff's Department took Michael Townsend, 30 of Cameron, into custody at the residence, without incident, and he is being held in the Barron County Jail awaiting formal charges by the Barron County District Attorney's office. The victim is a 54 year old female from Cameron and was flown to an Eau Claire hospital in serious condition. The Barron County Sheriff's Department is handling the case with the assistance of the WI State Patrol Reconstruction Team. **Per Chris Fitzgerald, Barron County Sheriff**

Cumberland Healthcare Welcomes Jacob Jensen, PharmD, RPh, and Opens New Retail Pharmacy

Cumberland Healthcare's new facility at 1705 16th Avenue, just off Highway 48 toward Luck, has opened its new retail pharmacy,

Maple Ridge Pharmacy. People will be able to fill their prescriptions, receive medication counseling, and

Kindled Hearth Fireplace Store Now Twice The Size

Since opening the store in August of 1996, Kindled Hearth Fireplace Store has been a staple on Cumberland's Main Street. Joe said he "wanted to be open for Rutabaga" back in '96. A lot of things have changed since then, but the need for a cozy fireplace or wood stove has not. Kindled Hearth has now doubled in size. After renting out the other side of the building for years, Joe decided to expand. They now offer an expanded line of wood stoves. The new line of wood stoves are made by MORSO in Denmark. The new wood stoves feature an older style

look and are smaller in size. Also new are MSI Quartz products to help you finish off a new fire place or wood stove. There is now room to display the new products. Coming soon will be a new line of non combustible mantels as well. Also new are seasonable outdoor fire tables. These awesome tables double as a table and outdoor fire. These are really cool! With the expansion there is also room for an expanded parts room to keep you up and running. Colder weather, as we know, won't be too far down the road. Stop in and see Joe and Misty at Kindled Hearth. You will be glad you did!

Northwoods Notebook: Opera House is getting a new life

By Larry Werner

For more than 10 years, the historic Uecker's Opera House has been the premier architectural eyesore on Cumberland's main street. Nearly every time Ann and I would walk Second Avenue, she or I would say it's too bad this historic building, built in 1903, has been allowed to sit empty, falling deeper into disrepair. The building's glamorous past as a performance space, then a furniture store, then an apartment building had faded into an empty hulk after it was closed because of "some type of building-code issues," according to former mayor Bert Skinner. The most recent owner, Dean Hyland, had taken a few runs at fixing it up, but never completed the renovation so he could reopen for apartments. A few months back, a contractor from Lake Elmo, Minn., who had been driving past the building for years on his way to an apartment building he owns in Shell Lake, stopped by Years Ago Antiques and asked who owned the opera

house. After Todd Alguire got Hyland's number, they got together and negotiated a deal. If all goes as planned with the renovation inside and out, Alguire will be moving residents into apartments on the second floor and commercial businesses into spaces on the first floor by Sept. 1. By mid-August, the building's new owner hopes to have an open house so community members can check out the eight apartments, four of which could be commercial spaces for shops or offices. "I'm one who likes to rehab and restore," Alguire said over lunch at Nezzys'. He said he met with Hyland. "I told him who I am, what I do," Alguire said. "So we met. I said, 'Would you be interested in selling?' He said, 'Yes.' We had to arm wrestle a little bit on price. He's owned it since 1999 or 2000. He had good intentions but couldn't finish it." Alguire said he started work on the building af-

ter he and Hyland signed a purchase agreement, but the sale won't close until June 30. "I just wanted to get a jump start on the renovation," he said. Alguire said when he went into the opera house, he "fell in love with it." "I love buildings with history," Alguire said. And this

building has history. At the time Cumberland's opera house was built, many small towns in Wisconsin and throughout the country had such buildings, where touring singers, actors, magicians and other performers would put on shows. These places were the

Card of Thanks

The family of Cheryle A. Cass would like to thank the many people who extended their sympathy in the loss of our dear mom, with flowers, food, cards or phone calls.

Our mom left us a legacy of love, kindness and generosity that we will carry on in her name and honor. A very special thank you to Pastor Matthew Earls, LMC Hospice and Marshfield Oncology/Radiology teams fore the care given.

Sincerely, her children

Michelle Nickell

Celebration of the Arts will be celebrated June 10

Cumberland's annual art fair, known as "Celebration of the Arts" and "Art in the Park," will be held for the 31st time on Saturday, June 10, from 9 a.m. to 3 p.m. at Tourist Park, also known as the City Beach.

The event is sponsored by Enrichment Through Culture (ETC). It features booths with art and crafts, music and food served by members of Cumberland

United Methodist Church. In addition, the Friends of the Library will be selling books in one of the park's shelters.

Here's the music lineup:
9 a.m. — World's Oldest Garage Band
10 a.m. — Jason Streitz
11 a.m. — Polk-Barron Street Project
12 noon — Cindy Coil Karaoke
The event is free to attend.

Hay River Sisters on the lake June 13

A trio of singing sisters who grew up in Almena will be performing on the Library Lake stage Tuesday, June 13, in the second Island City Music Concert of the season.

The group, which sings everything from oldies to country, is being sponsored by Peter & Annie's Coffee Shop & Café, where the sisters — Mary Beth, Jolene and Monica — have performed many times over the past two years. This is their first appearance on Library Lake.

The concert is from 6 p.m. to 8 p.m. and is free to attend.

Food will be served by the Barronett Civic Club from its Little Red Caboose, a former Louie's

brat wagon. Those attending should bring lawn chairs.

In its eighth year, the concerts on summer Tuesdays are presented by Enrichment Through Culture (ETC), Cumberland's arts council.

Also on summer Tuesdays, the Cumberland Farmers Market will be in an adjacent space on the street that runs between Pendelton Pawn and the Thomas St. Angelo Public Library. If it rains, the concert will move to the Cumberland Arts Center, as will the farmers' market, which will set up in the basement of the old church.

Risk of pavement buckling rises with temperatures

Warmer temperatures forecast throughout Wisconsin could create conditions for pavement buckling. The Wisconsin Department of Transportation (WisDOT) is advising motorists to be alert and take extra caution. Pavement can buckle when the weather quickly goes from cool to very hot. This causes slabs of pavement to expand and push against one another. If the pressure becomes great enough, the

pavement can buckle and create unexpected bumps or dips. Watch the WisDOT animation on pavement buckles. While it's difficult to predict if, or where, buckling may occur, WisDOT offers these tips: Slow down, buckle up and focus your full attention on the roadway. Watch for slowing traffic and be ready to move over for all roadside workers, in-

cluding highway crews as they repair damaged pavement. Before your trip, check 511wi.gov for the latest information on any incidents or delays. Live video feeds are now available via the 511 Wisconsin traffic cameras. If necessary, report serious pavement issues by calling 911. Be ready to provide specific location information.

Security upgrades built into new Wisconsin driver license, ID cards

The Wisconsin Department of Transportation Division of Motor Vehicles (DMV) announces new driver license and identification (ID) cards with updated security features. The new cards debut June 5 with new design elements built within the cards to make them more resistant to fraud. "Wisconsin DMV continues to stay on the leading edge of technology by incorporating the next generation of updated security features into our driver licenses and ID cards," WisDOT Secretary Craig Thompson said. "Our residents can be proud of the modernized new cards and also the efforts DMV takes to secure their credentials." The new cards feature: Beautiful, artistic, hand-crafted artwork of key Wisconsin features – like the awe-inspiring Wisconsin State Capitol and state flag – are woven throughout, creating a more secure, customized card.

Transparent windows visible on the card's right edge and back bottom edge: The advanced manufacturing process allows the clear ribbon to flow right off the edge of the card and is integrated with cardholder data. Wisconsin is the first to have this unique security feature. A distinct 'flipping effect': Looking at the embossed feature just above the ribbon, when angling the card one way, you see the secondary photo. While at another angle you see the month and year of birth. This unique feature is hard to duplicate and/or counterfeit. The familiar orange DO-NOR dot: For those who participate in the life-giving organ donation registry, the orange dot is now nestled in the larger sugar maple leaf which you can feel. The noticeable vertical format on cards for those under age 21 continues and will incorporate blue/red color themes for rapid visual recognition. Cards for

those over age 21 are horizontal and have a blue/gold theme. The upgraded security features will be available on regular and REAL ID cards. The fee remains the same. "The first thing you notice is Wisconsin's cards are even more attractive and the images celebrate the state. But built within the beautiful images and manufacturing process are layers of security features designed to protect card users and businesses who rely on their validity," DMV Administrator Kristina Boardman said. The laser-engraved version currently in circulation debuted in September 2015. These will remain valid until their expiration date. Cards with the new features will be issued upon renewal, replacement or first issuance. There is no requirement to get a new card but customers may replace their card with the latest features by ordering a replacement (wisconsindmv.gov/Dreplace).

Sons of Norway Dovre Lodge to Meet

You are invited to learn about Waldemar Ager, an influential editor, publisher, writer and prohibitionist. You will find out about who he was and his connection to Chetek and Barron County. The Ager House is main-

tained as a museum in Eau Claire. UW Eau Claire Professor Emeritus Doug Pearson will present the story of Waldemar Ager. Pearson currently is the Program Director of the Ager Association in Eau Claire.

Dovre Lodge will meet Tuesday, June 13, 2023, 6:00 pm, at Chetek Lutheran Church, Chetek, WI in the Fellowship Hall. A "potluck" dinner will be served. Bring your favorite dish or dessert to share. All are welcome!

Out My Window

by Paul Bucher, Editor

Well everything seems to be in full summer go mode. The lakes are busy, traffic is heavy, town is bustling, and events are happening all the time. This Friday night try and stop by and show support for law enforcement and help raise a little money. Back The Blue is taking place Friday night from 5pm - 10pm on the south end of 2nd Ave, (Main Street). Proceeds from the event will be donated to the Chetek, Cameron, and Cumberland Police Departments. There will be live music, kids games, raffles, vendors, an ice cream truck and more. Make plans to stop and show your support! On Saturday, June 10, the 31st Celebration of the Arts takes place at Tourist Park on Beaver Dam Lake. The annual event features many many vendors. Arts and crafts galore! There will be live entertainment, great food, a book sale and more. The celebration takes place from 9am - 3pm. The Cumberland Farmers Market kicked off Tuesday night, June 6th, next to the Thomas St. Angelo Public Library in conjunction with Music on the Lake. The Chamber is always looking for more vendors. Call the Chamber office at 715-822-FEST. The Farmers Market will run every Tuesday night from 4:30 to 7:30 through September 20th. In the event of rain, it will be held in the basement of the ETC. Music on the Lake continues to be from 6-8 pm. Make plans to attend!

-0-

Congratulations to Andie Otto on a great showing at the State Track and Field Championships held in La Crosse last Thursday and Friday. Congratulations as well goes out to the 4 x 200 meter relay team for making it to state. Team members were Chayden Berghammer, Gavin Gores, Edward Chafer and Roman Ranallo. Unfortunately, Evan Hornstein was unable to run. Nice job guys! The Cumberland-Barron girls soccer team just keeps rolling. They breezed through the Regional without giving up a goal and scoring 19. Best of luck in Sectionals.

-0-

I got to get out and fish with Mark Walters this past weekend. As most of you know, Mark has been writing an outdoor column for the Advocate and newspapers all around the state for many many years. In this world of run, run, run, it's good for me to slow down a bit. Mr. Walters is in no hurry to do anything. It used to bother me because I just wanted to go, go, go. I am really starting to appreciate the way he does things. Don't get me wrong, I'm not going to go trolling in a canoe on Lake Michigan, but simplifying things and slowing down a bit is probably good for most of us in todays fast paced world. On a fun note, we caught some nice gills and I told him to double check his livewell so as to not forget a fish in there. Well my wife Sarah called me at the office and said something stinks bad in the garage. I think it's in your boat she said. I went home thinking Mr. Walters missed a fish. Nope, I did. I missed one bluegill in my livewell and man did it stink. Moral of the story, slow down! Have a great week!

✍ Letters to the Editor: The Cumberland Advocate welcomes letters to the editor, **500 words or less** on subjects of interest to our readers, however, the choice of any material is at the discretion of the editor. Letters are limited to one per month per person. Letters endorsing or criticizing candidates for elected office will not be published two weeks prior to the election. The editor also reserves the right to edit letters to meet space requirements, clarify, or to avoid obscenity, libel, or invasion of privacy. All letters must bear the handwritten signature of the writer and include the address and phone number(s) for verification purposes. Poetry and thank you letters are not appropriate. There will be a charge for letters of thank you from individuals and they will be included with the paid notices, not with Letters to the Editor.

Weekly deadline is 2:00 p.m. on Friday

Inside Wisconsin

by Tom Still

“To grow and keep young companies, Wisconsin must compete”

MADISON, Wis. -- Wisconsin should place more faith in its young, home-grown companies.

One need not look very far to draw that conclusion. A quick tour across the Midwest reveals that many nearby states are investing their futures, sometimes with little more collateral than a sense of promise in people, ideas and technology. Here are examples.

□ In Indiana, the Next Level Fund has been co-investing \$250 million in state money with private firms since shortly after its inception in 2017.

□ Ohio's Third Frontier Fund has invested \$221 million since 2016 in six venture capital development funds, which will get another \$83.2 million from the state through 2025. A recent report concluded the six Ohio organizations have returned \$66 for every \$1 invested from 2016 through 2020.

□ The Illinois Growth and Innovation Fund, launched in 2016, has invested from a pool of \$1 billion that includes state matching dollars.

□ Less than two weeks ago in Michigan, a group asked the Legisla-

ture to create a one-time, \$126 million “Michigan Startup Evergreen Fund” modeled after the Ohio effort. Michigan has previous experience in venture capital development that attracted some of the nation's larger funds to the state. The latest effort aims to plug a seed and early stage funding gap.

The list goes on: Politically red and blue states such as those listed above have good company in Texas, Florida, Maryland, Massachusetts, Missouri, Minnesota, Nebraska, New York and Pennsylvania. They're all hoping to keep pace with California, which through a head start in the 1950s created its tech-based, venture-driven economy.

Wisconsin's support for early stage investing got off to a solid start with the birth of its investor tax credit program in 2005, a platform alive and well today. It has helped angel and venture capital investments statewide grow from the tens of millions of dollars annually in the early 2000s to roughly \$1.5 billion spread over 2021 and 2022. That was followed by the creation of the Badger Fund of Funds in 2013, which has

levered \$25 million from the state along with private dollars to invest in about three-dozen companies.

That sounds like progress -- and it certainly is -- but Wisconsin still isn't keeping up with the “Joneses” in any neighborhood, let alone the Midwest.

Wisconsin represents nearly 2% of the U.S. population and is home to some of the nation's finest research institutions and major companies. State partnerships just attracted two of 44 National Science Foundation grants awarded in a nationwide competition starting with more than 400 applications.

And yet, Wisconsin has only one-third of 1% of America's venture capital under management. Statistica reports Wisconsin was 29th among the 50 states in the dollar value of venture capital investment in 2022, behind Vermont and Wyoming.

That means young companies born in Wisconsin and financed here through the startup phase may be forced to look elsewhere for serious, multi-million-dollar investment rounds. If they find those rounds elsewhere, their investors

may well compel them to move.

Think of that scenario: Wisconsin educates its young people through its K-12 schools, tech colleges and public and private colleges; offers solid entrepreneurial programs to help them launch companies; and leaves it to investors and financial forces elsewhere to capitalize on that potential and spirit those young companies away.

Looking at it from outside Wisconsin's borders, it must look like an economic version of the New York Yankees and Kansas City Athletics baseball relationship back in the day -- with Wisconsin replacing the A's as the perpetual farm team.

Republicans and Democrats in the Wisconsin Legislature can and do disagree on many things, but it should be possible to agree on steps to invest in homegrown assets -- people, ideas and technologies -- that will pay dividends to the state for years. A roadmap is available if there is a will to follow it.

Still is president of the Wisconsin Technology Council. He can be reached at tstill@wisconsintechnologycouncil.com.

LETTERS

Legality of Marijuana

To the Editor:

On May 30, 2023, Minnesota became the third mid-western state to legalize the use of marijuana by persons 21 years and older. Michigan legalized adult-use marijuana in 2018, followed by Illinois in 2020.

In Wisconsin, the possession of marijuana, including any hemp derived product (commonly marketed as CBD or delta-8 THC) that contains more than .3% or less delta-9 THC are legal in Wisconsin following passage of the Farm Bill, in 2018.

There has been and continues to be some confusion about the legality of vendors advertising the sale of delta-8 and delta-9 THC. The confusion arises because delta-8 THC can be extracted from both hemp and marijuana, and a minute amount of delta-9 THC may be lawfully possessed in hemp derived products.

Delta-8 THC that is extracted from hemp has a different chemical composition than delta-8 THC that is extracted from marijuana. The Farm Bill did not legalize delta-8 THC that is extracted from marijuana. Additionally, any amount of delta-9 THC that is derived from marijuana, even a product that contains .3% or less of the psychoactive compound, remains illegal to possess in Wisconsin.

So, why then are vendors

A Look Back

**10 Years Ago
June 12, 2013**

Seven High School juniors were each awarded a \$5,000 Endeavor Foundation Scholarship on Saturday June 6. The recipients were: Molly Nickell, Cassie Callow, Kahlen Donatell, Jonah Lundequam, Emily Delfosse, Carissa McClain, Caleb Washington, Joshua Dorn, Patrick Ritchie, AJ Ricci and Jocelyn Olson.

Police were called to Cifaldi Motors Thursday morning, June 6, for a new Dodge truck which was up on blocks and missing three of it's four tires and rims. The fourth wheel had a couple of loose lug nuts but the thieves must have been scared off as they even left their jack behind. This is the latest in a series of similar events that have occurred.

Complaints

Brandon C. Purintun, 31, of Cameron, has been charged with operate UTV with passenger riding in improper way, operate all-terrain vehicle or utility vehicle without valid registration and operate ATV without valid safety certificate. His court date is scheduled for June 21, 2023.

Alex J. Zimmerman, 20, of Oakdale, MN., has been charged with possession of drug paraphernalia and possession of marijuana. His court date is scheduled for August 9, 2023.

James G. Hoisington Jr., 35, of Cumberland, has been charged with possession of drug paraphernalia. His court trial is scheduled for July 10, 2023.

Benito C. Baron, 39, of Rosemount, MN., has been charged with ATV owner permit operation by minor. His court date is scheduled for June 21, 2023.

Thomas L. House, 37, of Prairie Farm, has been charged with operate UTV with passenger riding in improper way. His court date is scheduled for June 21, 2023.

Michael E. Lucente, 40, of Mendota Heights, MN., has been charged with operate ATV or UTV without required headgear. His court date is scheduled for June 21, 2023.

Bryson M. Niemann, 17, of Rice Lake, has been charged with operate UTV without valid safety certificate. His court date is scheduled for June 21, 2023.

Criminal Complaints

Matthew E. Petersen, 42, of Barron, has been charged with resisting or obstructing an officer. His adjourned initial appearance is scheduled for June 21, 2023.

Theresa A. Smith, 32, of Barron, has been charged with possession of methamphetamine and repeater. Her adjourned initial appearance is scheduled for July 5, 2023.

Mark W. Larson, 63, of Turtle Lake, has been charged with possession of methamphetamine. His adjourned initial appearance is scheduled for July 5, 2023.

Richard J. Rindal, 53, of Rice Lake, has been charged with possession of methamphetamine. His adjourned initial appearance is scheduled for June 7, 2023.

Michael K. Wojciechowski, 43, of Chetek, has been charged with operating a motor vehicle while under the influence-5th or 6th offense.

An officer with the City of Chetek Police Department, reports on May 27, 2023, at approximately 7:22 pm, he was dispatched to a traffic complaint on Highway SS.

The officer reports he was advised by dispatch that a female subject was following a blue van, and the vehicle was speeding and driving in the wrong lane of traffic.

The officer responded to the complaint, and after turning westbound onto Dallas Street, he observed the blue van traveling eastbound on Dallas Street. The vehicle turned into the driveway of 611 Dallas Street, in Chetek.

The officer pulled into the Marathon Gas Station parking lot and observed the vehicle. The officer reports the driver, later identified as Wojciechowski, the defendant, exited the vehicle and began to stumble, walking towards the house. Wojciechowski was able to enter the residence before the officer was able to make contact with him.

The officer reports he approached the residence, and after speaking with other occupants of the residence, Wojciechowski eventually came outside. The officer asked Wojciechowski if he had anything to drink and he said no.

While the officer was on the phone with his lieutenant, Wojciechowski's mother came to the door and asked the officer to come inside as Wojciechowski was attacking his brother. The officer found Wojciechowski and his brother arguing at the bottom of a set of steps, and Wojciechowski eventually came back outside the residence.

The officer reports Wojciechowski eventually agreed to do field sobriety testing, but Wojciechowski claimed he had injuries preventing him from standing and balancing, so modified field tests were administered.

The officer reports he administered the horizontal gaze nystagmus test, and he observed a lack of smooth pursuit, distinct and sustained jerkiness, and jerkiness prior to 45 degrees, all in both eyes. During the test, Wojciechowski often failed to follow the tip of his finger with his eyes, and instead turned his whole head.

The officer asked Wojciechowski if he knew the alphabet, and Wojciechowski stated that he did and immediately began singing the alphabet. The officer stopped Wojciechowski and told him to recite the alphabet from letter H to O without singing. Wojciechowski stated, "H, I, G, C, T, W, S, K, I, N, G".

The officer asked Wojciechowski to count

from the number 72 back to the number 51. Wojciechowski stated that he couldn't count the numbers backwards, but could count them forward. The officer then asked Wojciechowski to count from the number 15 to 35. Wojciechowski then began singing letters in the alphabet, and the officer stopped him and told him to count from number 15. The officer demonstrated this to Wojciechowski, stating "15, 16, 17", and asked Wojciechowski if he understood the instructions. Wojciechowski then began saying letters of the alphabet. The officer stopped Wojciechowski again and asked him to say the number 15. Wojciechowski then began counting his fingers. The officer asked Wojciechowski one more time if he could count from the number 15 to 35, Wojciechowski again, began counting his fingers, and the officer stopped the test.

The officer asked Wojciechowski how much he had to drink, and Wojciechowski said he had one beer since he had been home. The officer reports Wojciechowski was ultimately arrested and transported to the Barron County Jail. At the Barron County Jail, a Correctional Officer administered a preliminary breath test to Wojciechowski, which yielded a result of .208.

If convicted for operating a motor vehicle while under the influence, 5th or 6th offense, Wojciechowski may be fined not more than \$25,000 or imprisoned not more than 10 years or both.

His adjourned initial appearance is scheduled for June 7, 2023.

UPDATE: 3rd Person Dies From Memorial Day Crash

Barron County Sheriff Chris Fitzgerald says that a third person has died following the fatal car crash that occurred on Memorial Day in Barron County.

On Friday, June 2, a 14-year-old from Elmwood who was a passenger in the car has passed away from his injuries.

Chris Fitzgerald Barron County Sheriff

Officer Involved Fatal Shooting in New Richmond

The St. Croix County Emergency Communication Center received a call at about 10:46 p.m. on June 3, 2023, reporting a domestic disturbance at a residence in the 1900 block of CTH CC, in Star Prairie Township. The caller advised that her husband was "out of control" and threatening to "bring his AR out".

St. Croix County Deputies and officers from the New Richmond Police Department arrived on scene and located the female caller outside of the residence. Officers on scene were advised there were still two juveniles inside the residence. The male subject was also

inside and threatening officers. Deputies observed through the window that he had armed himself with a hunting rifle, and they were attempting to communicate with the subject.

The subject continued to make threats, and exited the residence with a long gun to confront the officers. A St. Croix County deputy and a New Richmond Officer fired their weapons, and the subject was struck. He died at the scene. No one else was injured.

The deceased is a 42 year old Tyler Abel of rural New Richmond WI.

In accordance with WI

State Statute 175.47, the Polk County Sheriff's Office will be conducting the criminal investigation into this incident. Once complete, the investigation case file will be turned over to the St. Croix County District Attorney's Office for review.

The deputy and officer who were involved in this shooting have been placed on administrative leave, pending the outcome of the investigation and the internal review.

This is an active and ongoing investigation. There will be more information released as it becomes available later in the week.

Crash in Polk County Results in Fatality

On Saturday May 27 at 11:39pm, Polk County Emergency Communications Center received a 911 call of a single vehicle crash on County Road Y , North of County Road M in the town of Osceola. The vehicle was reported to have rolled over and was partially submerged in water.

First Responders from Allied Fire and Law Enforcement entered the waist deep

water and pulled one occupant from the vehicle. Life saving measures were immediately attempted and the victim was transported by ambulance to Osceola Medical Center and later flown to Regions Hospital in Minnesota.

On Saturday, June 3rd, the occupant in that vehicle was taken off life support and died as a result of the crash. The person

who died in this crash was 47-year-old Brett Even-son from Milltown, Wisconsin. This is the fourth fatality in Polk County in 2023.

Polk County would like to thank Osceola Ambulance, Allied Fire, and Life Link Air Ambulance for their assistance with this incident.

The crash remains under investigation by the Polk County Sheriff's Office.

Share the road with motorcycles to prevent crashes, injuries; June Law of the Month: Motorcycle safety

As Wisconsin's summer weather settles in, motorcycle season is in full gear, which means drivers will be sharing the road with smaller vehicles through fall.

The Wisconsin State Patrol's June Law of the Month reminds vehicle drivers and motorcyclists to share the road to keep all travelers safe.

There are roughly 2,000 motorcycle crashes every year in Wisconsin, involving hundreds of injuries and dozens of fatalities.

"When we share the road, we also share the responsibility to make every trip as safe as possible for all road users," Superintendent Tim Carnahan said. "Vehicle drivers and motorcyclists need to be aware of each other on the roads and look twice before changing lanes or making turns."

Motorcyclists are 27 times more likely to die in a crash than other motorists, according to the National Highway Traffic Safety Administration.

Driving near motorcycles

Motorcycles are smaller than the average vehicle, so they can be harder to see

on the roads and it's easy to misjudge their speed and distance. Drivers are asked to use caution when traveling near motorcycles.

Drivers are encouraged to:

- Look twice for motorcycles; many crashes happen when drivers pull out from a stop sign, turn left, or change lanes
- Keep a safe following distance from a motorcycle; they have a shorter stopping distance so if a motorcycle needs to stop suddenly, you need more room to avoid a collision
- Avoid distractions and drive sober

Riding safely

Sharing the road is a two-way street, so motorcyclists need to do their part to be visible and follow the same rules of the road as other vehicles. Safe riding practices help reduce the number of fatalities and injuries on the roads.

Riders should consider the following:

- Avoid distractions and ride sober
- Know and observe all traffic laws, including obeying the speed limit

- Ride defensively and don't take risks
- Scan the road ahead carefully, especially on curves, looking for gravel and sand
- Do not share a lane with another vehicle; staggered riding is suggested for multiple motorcycles

Protective, high visibility clothing and safety gear is recommended and helmets are strongly encouraged to prevent serious injury in a crash. Helmets are required by state law for riders under 18. In Wisconsin, 69% of motorcyclists who died in crashes were not wearing a helmet (2018-2021).

Training and education

Training and education are key to prevent motorcycle crashes and injuries. The Wisconsin Department of Transportation's partners provide rider courses to help motorcyclists earn their motorcycle license and improve rider skills. A motorcycle license is required to ride in Wisconsin.

Road Closures in Rice Lake due to Aquafest

The Rice Lake Police Department would like to remind the community that Main Street from Water Street north to Messenger Street will be closed to traffic due to Aquafest events on the following dates and times:

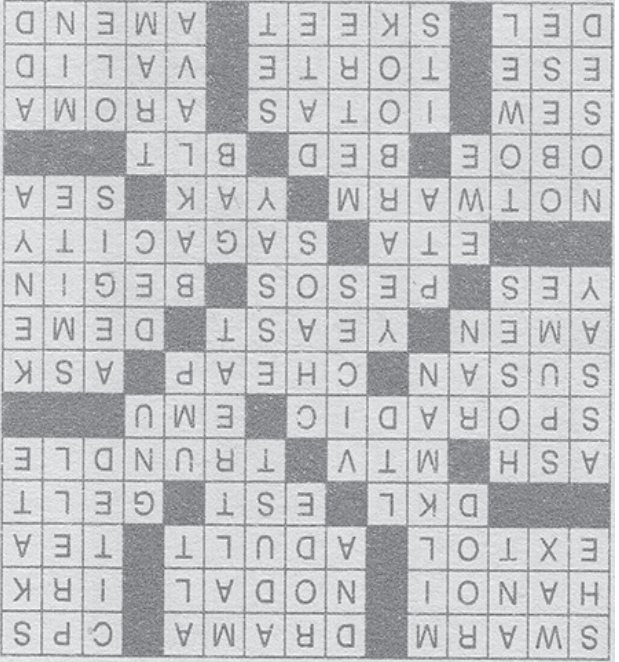

Thursday, June 8th, 2023 starting at 6:00 pm - Monday June 12th, 2023 at 8:00 am.

To avoid traffic congestion, the public is reminded that an alternate route may be utilized for northbound

and southbound traffic via Allen Street, West Avenue and Knapp Street.

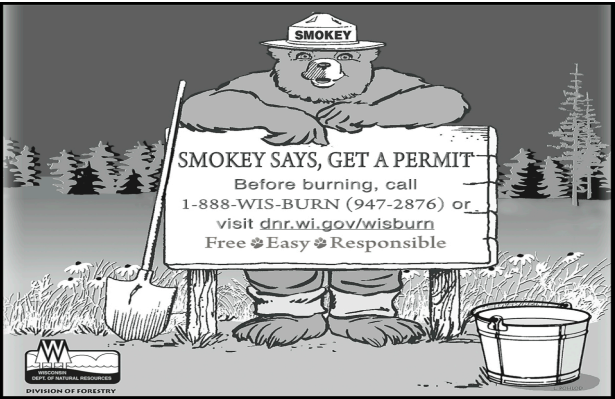

Additionally, on **Sunday, June 11th, 2023, from 11:30 am - 3:00 pm** Wisconsin Ave from Allen Street to Knapp Street will be closed for the Aquafest Parade.

Beavers Claim Regional Championship; Come up Short at Sectionals

The Cumberland Baseball Team outscored their two Regional opponents 15-0 last week, as they grabbed a Regional Trophy and secured a spot in the 2023 Sectional Tournament, which was held Tuesday at Islander Park. There, the Beavers played St. Croix Falls in the first round, hoping for a victory and a chance at the State Tournament. The team’s record stands at 15-12 on the year.

The first victory was a 4-0 shutout of Barron led by an excellent pitching effort by Gavin Prinsen, who went the distance while allowing only two hits and striking out 12. “Gavin was outstanding,” said Head Coach Joe Waite.

Cumberland only had six hits themselves, two by Ryan Lundmark. Dave Olson added a two-run single, while Lundmark and Cooper Schramski had doubles for the Beavers.

Vaughn Johnson was equally impressive on the mound the next night in the team’s 11-0 shutout of Phil-

lips. He was supported by a Cumberland offense that knocked out 11 hits, including a three-run home run by Bryce Colburn.

Johnson threw a five-inning no-hitter in gaining the pitching win. The senior righthander had 11 strikeouts in dominating the Loggers. “Vaughn was on his game from the first pitch,” added Coach Waite.

Cooper Schramski and Nathan Schmidt had two hits each for the Beavers as they secured the Regional crown.

The Beavers saw the dream of making it to the State Tournament come to an end with a 5-1 loss to St. Croix Falls in Tuesday’s Sectional Opener. The Beavers matched the Saints with 7 hits apiece but couldn’t string them together to score some runs. The Saints played excellent defense turning in several fine plays to take hits away from the home nine. Gavin Prinsen pitched very well in taking the loss. More details in next weeks Advocate.

Vaughn Johnson threw a 5 inning no hitter to help the Beavers down the Loggers in the Regional Championship game. Johnson was dominate in the contest.

Gavin Prinsen mowed down the Bears in Cumberland’s 4-0 Regional win over Barron. Prinsen went the distance allowing but 2 hits and striking out 12.

All-Conference Softball and Baseball Named

The HON has named their All-Conference Baseball and Softball Teams for

2023. St. Croix Falls won this spring’s conference baseball title, with the Beavers finishing fifth, while the girls also finished fifth to 2023 Champion, Northwestern.

Being named to Baseball’s First Team was Senior David Olson, who hit .482 in Conference play. He missed six conference games due to an injury, but hit and fielded extremely well when in the line-up. Olson was 12 for 12 in stolen bases and only had one error on the year. He

David Olson

Orion Thompson

Madison Graf

Regional Champs!

Cumberland claims Regional Championship. Pictured back row left to right are Coach Jake Lundquist, Manager Cody Hoff, Head Coach Joe Waite, Ryan Lundmark, Gavin Prinsen, Max Peterson, Uriah Johnson, Troy Majewski, Bryden Hauser, Cooper Schramski, Nathan Schmidt, Cayden Guthrie, Landon Wickstrom, Sloan McCreary and Coach John Anderson. Front row from left to right are Manager Aiden Erickson, Coach Joe Serbiak, Coach Dave Olson, Vaughn Johnson, David Olson, Bryce Colburn, Monty Peterson, Coach John Peterson and Coach Justin Musil. Congratulations guys.

Bryce Colburn is mobbed at home plate after hitting a 3 run home run in the boys Regional win over Phillips at Islander Park Thursday, June 1st.

Just Out Of Reach!

This play kind of summed up the day. A base hit fell between Beaver center fielder Monty Peterson and second baseman Nathan Schmidt in the Beavers Sectional loss to St. Croix Falls on Tuesday at Islander Park. The Saints beat the Beavers 5-1.

was also a First Team selection last spring. Olson was the lone Beaver representative to the honor squad.

The Girl’s Softball Team was represented by Senior Orion Thompson, named

a Second Team infielder and Madison Graf, who received Honorable Mention as a catcher. Thompson hit .425 on the year, while also picking up 10 pitching victories. Graf, meanwhile,

was recognized for her excellent defensive work as Thompson’s battery mate.

All three players were praised by their coaches, Joe Waite and Jim Reidy. Waite added, “There were

other players I thought could of received recognition, but such is the nature of All-Conference voting.”

An Outdoorsman's Journal

by Mark Walters

Sylvania!

Hello friends,
This past week I made some new friends and explored a wilderness area for the first time that I should have checked out 30-years ago. Pete Wasson is the editor of The Ashland Daily Press and has been a contact of mine as he runs this column, but we had never met. Joe Pribanich is 71, the former city planner at Wausau, a good friend of Pete's and a true wilderness addict. For several years Pete has been inviting me to an annual getaway to Sylvania Wilderness Area which is located in the UP about 30 miles north of Eagle River, last week I took him up on his offer.

Friday, May 26th
High 78, low 42th
My new buddies and I would be bass whacking out of canoes for both large and smallmouth and the next day I would try for my first lake trout out of a canoe. This would be a total learning experience, I had never met these guys, I have very little bass fishing experience and Sylvania has a lot of very wise rules as far as barbless hooks, no cans etc. and this 18,327 acres is basically dedicated to foot and watercraft travel with zero motors in most cases.

Heck, I did not even know how to get to where I was going when I pulled out of the driveway.

What I witnessed on day one was wise campers that deal with skeets and adverse conditions and relish the challenge.

Saturday, May 27th
High 82, low 44
I just met Pete last night and Joe this morning. I do not even know most bass fishing terminology of which it is 100-percent catch and release on the lake we would be fishing and these guys were some of

the best bass whackers I have ever met. They can paddle a canoe, toss their weightless Texas Rig set up with a stick bait in the brush and pull-out bass after bass without losing a rig. Yours truly on the other hand had a lot to learn, failed often but at days end understood a lot more than when Pete and I set sail. Joe Pribanich would be at a different campsite than us and Joe is my newest I want to age just like him person. Joe is 10 years older than me and can handle a canoe, sleep on the ground, and looks good.

Pete and I tried paddle trolling for lakers and had no luck but we caught at least 80 smallies and largemouth bass. I was extremely impressed watching these 2 long time buddies love the day they were living.

Sunday, May 27th
High 84, low 49
Just like yesterday it was up at 5:00 and lots of mosquitoes. Today I would fish alone and Joe and Pete would go bass whacking as I paddled trolled for my first laker. I was dedicated to my cause and tried everything from a flasher/fly combination to several spoons and crankbaits. All setups had the barbs flattened on the hooks and basically what I did was pull lines and paddle a canoe for 9 hours straight. Just as the 7th hour passed one of my planer boards that had a deep diving crankbait with 1.5 ounces of weight in front of it started wobbling. By God if I didn't catch me a lake trout. I am addicted to canoe fishing and to catch my first laker out of a canoe was very cool. An hour later that same setup was hit again, and I caught another with both being about 25-inches. Lake trout have to be 30-inches and I was very careful releasing them.

I have to tell you, I felt a very special bond to

L to R Pete Wasson and Joe Pribanich have been fishing out of a canoe together at Sylvania for over 25-years.

Lake trout have to be 30 inches in the Sylvania Wilderness an recreation Area to be kept.

this place, the people, the ethics, and the wilderness were just how I roll and then I go and bonus out and make 2 new friends.

It was a good weekend!
Sunset

Regional Champions!

Regional champs! Pictured back from from left to right are Coach Sarah Stauner, Manager Annikka Moe, Coach Stephanie Linsmeyer, Abby Elliot, Haley Fick, Manager Brady Mickelson, Rayna Hauck, Kasey Stauner, Alivia Rick, Juri ApanecatI-Juarez, Nina Schindler and Coach Brent Sellent. Middle row from left Sierra Lien, Andrea Bechard, Magaly Villalobos, Adriana Williams, Valeria Acevedo-Sanchez and Jasmine Woodley. Front row from left are Hope Kyrola, Taylor Johnson, Yocelin Delgado, Sydney Stauner and Audra Rick. Congratulations girls!

Sydney Stauner splits a pair of Arcadia defenders and scores in the girls 10-0 win at Endeavor Stadium last Thursday night.

Jasmine Woodley works around a St. Croix Central player in the girls Regional Championship win Saturday night in Cumberland.

Barron-Cumberland Soccer Team Breezes Through Regionals

The Barron-Cumberland Soccer Team swept through two D3 Regional opponents last week and are headed to the Sectional Tournament, two games away from the 2023 State Tournament. It begins this Thursday night, when the team hosts Rice Lake at Endeavor Stadium in a contest starting at 7:00 pm.

The two wins came by shutouts, the first a 10-0 victory over Arcadia/Independence and the second a 9-0 whitewash of St. Croix Central. With the two victories, the team's record moves to 18-3-1 on the season.

Once again, the team was led by high scoring Sydney and Kasey Stauner in the two wins. Kasey Stauner had eight goals and Sydney four in the blowout victories. The two girls each have 37 goals on the season and rank among the top ten scorers in the State entering Thursday's action.

Coach Sarah Stauner said of the two victories, "They were strong offensive games as the girls worked well together passing the ball. The defense, meanwhile, found ways to contribute to offense, pushing up, looking to be an option and making runs. The entire team has worked hard this season, pushing themselves and each other to continue to improve with the season long goal of earning the Regional Championship for the third year in a row."

The team defeated Rice Lake 1-0 in a non-conference game earlier this spring. Should they win, the Sectional Championship game will take place on Saturday afternoon, likely against Ashland, a team who defeated Barron-Cumberland twice earlier this spring, both by 4-0 scores. The Sectional Championship game site has not yet been selected.

Kasey Stauner takes a corner kick Thursday night vs Arcadia.

Yocelin Delgado controls a loose ball in the girls win over Arcadia.

Imagine a drum roll here – Miriah Lehmann’s mare, Barbara, is, once again, a mother. She had a beautiful little baby boy on Wednesday, May 31st at about 4:30 a.m. Miriah has not yet decided on a name – I suggested Lightning in memory of a horse my brother, Jim, had years ago, but, by the look on her face when I came up with that, I could tell that was definitely not going to be his name. He is Barbara’s second colt, and she has proved to be a very good mom. I will let you know his name as soon as I find out.

There was a huge birthday party at Barronett Community Center this past Saturday for five-year-old Owen and one-year-old Emma Rhode. Owen’s birthday is actually the 13th of June, and Emma’s is the 1st, so their mom and dad, Morgan and Tanner, compromised and had the party the weekend closest to those two dates. There were lots and lots of little ones there to play with Owen – kicking balloons and racing back and forth across the community center. (I got tired just watching them – they have so much energy.) Little Emma was in her high chair most of the day, being treated like a princess and watching all the activity. They were each given their own little cake and by the time Emma was finished with hers I believe she had more on her face and clothes than she had in her belly. They both had lots of gifts to open and they seemed to be having the time of their lives. Happy birthday Owen and Emma – we all wish you many, many more.

Owen will be going to Pre-K at Cumberland on the 12th, 13th and 14th of June. He is not real happy about that because he will be in school on

his actual birthday. I think, though, that when he finds out how much fun Pre-K is, he will wish he could go a few more days this summer.

Remington Riewestahl’s graduation party was held this past Saturday at County Line Tavern out on county road G. There is a relatively new out-door pavilion at the tavern where guests gathered. Naturally there were lots and lots of pictures displayed of Remington from the time he was very small until graduation. There was plenty of great food and delicious cupcakes. I think I told you that Remington plans to work as an apprentice plumber until he can get his master plumber’s license. He is a great young man, and we wish him the best of luck with his future plans.

Katy Wallace’s old house is almost done. Tina picked out the carpeting for the upstairs bedrooms on Friday, and Aaron Lehmann installed it on Monday. Tina’s friend, Pat, has the tiling in the bathroom all finished (and it looks great) and Dana Riewestahl will be hooking up the sink, toilet and bathtub sometime this week. The kitchen is pretty much done, and the appliances will be delivered on the 19th. Things are progressing nicely, and Tina is very excited about moving in.

Jamie Lee Anderson has been helping out at Sal’s on 63 by waiting tables every other weekend. She told me that there were two couples in on (I believe) Friday evening who were giving great compliments on the rhubarb pies. They asked where the rhubarb was from, and Jamie

said that it came from right next door – her grandpa and grandma’s place. They knew that was where Duane and I live and told Jamie that they read the Barronett News every week – and that made me very happy – I always like to hear that someone reads this after I send it in. And, I’m glad they liked the pies too.

I am very sorry to report that our very good friend, Dorothy Orth, passed away on Wednesday, May 31st. Dorothy was a wonderful person with a smile for everyone she met. She, Anita Lehmann, Geri Pittman and I made many fun trips to the Twin Cities to shop at Ikea. She will be sadly missed by all who knew her. Please pray for her family as they go through this time of great sadness.

I guess that’s about all I know from Barronett this week. Hope you are enjoying the beautiful summery weather – but, of course, not the mosquitoes. See you next time.

SENIOR DINING
Thursday, June 8
Baked chicken breast, boiled baby reds, pickled beets, assorted bread, black bean brownie.
Friday, June 9
Meaty lasagna, green beans, garlic bread stick, chilled pears.
Monday, June 12

Lunch is served at 11:45 am and includes milk and/or coffee. Suggested contribution is \$5.00 per meal for anyone 60 years or older & \$10.00 full cost for those under 60. Please reserve your meal 24 hours ahead of time by calling The Cumberland Senior Center at 715-822-8794. (No reservation needed for Soup & Salad Bar days on the 1st and 3rd Tuesday of the month served 11:30 am - 12:30 pm.) The Senior Center is located at 1255 Webb St.

OBITUARIES

Dorothy M. Orth
Dorothy M. Orth, 86, of Cumberland passed away with her family by her side on Wednesday, May 31, 2023 at Cumberland Healthcare. She was born April 6, 1937 in Waterloo, IA.

Dorothy graduated from Waterloo West High School in 1955. During these years she held various jobs, in addition to being a telephone operator.

On December 7, 1957 she was married in MN to LeRoy Orth, who preceded her in death on December 18, 2017. The two started their family back in Waterloo with their

firstborn, Mark in 1958, then Kelli followed in 1960, and lastly, Mike who joined them in 1961.

They moved their family to the Quad Cities once LeRoy accepted a career as a State Trooper in 1969. Here Dorothy settled into a secretary position at Ed White Elementary school in Eldridge, where she would then work for over 20 years.

Retirement brought LeRoy and Dorothy to Barronett WI. After building a lovely home on some land, they became involved in the community donating time as members at the Barronett Lutheran Church, Secretary at Salem Lutheran in Shell Lake, board member at Lakeside Cemetery, and most recently, after LeRoy’s passing, a member at Augustana Lutheran in Cumberland. Dorothy gardened and loved creating lovely landscaping with colorful flowers & various plants.

Dorothy is survived by children, Kelli Orth of

Goodyear, AZ and Michael (Deb) Orth ofavenport, IA; grandchildren, Lillie, Conner, and Emily of Goodyear, AZ; 1 great-grandchild, Grayson; brother-in law, George (Bonnie) Orth of Evansdale, IA; sisters-in-law, Geraldine Pittman of Barronett and Marilyn Orth of Greeley, CO; and many nieces, nephews, cousins and other relatives.

She is preceded in death by husband, LeRoy Orth; son, Mark Orth; mother, Edna Donahue; and brother, Arden Hugh.

A Celebration of Life will be held at 11 AM on Tuesday, June 13th at Augustana Lutheran Church. Visitation one hour prior. Private interment will be held at a later date.

Donations are preferred to the American Heart Association and The Human Society of Barron County.

Skinner Funeral Home of Cumberland is serving the family.

Wayne M. Hagen
Wayne M. Hagen, 86, of Cumberland died, June 5, 2023, at Cumberland Healthcare. He was born July 24, 1936, in Cumberland, WI to Myron and Martha (Schwederske) Hagen.

Wayne began working as a milk hauler and later worked for Yellow River Supply for

35 years before retiring. He was married in Eau Claire, WI on May 21, 1957, to the love of his life, Fern Carlson and they shared 66 wonderful years together.

Wayne was huge fan of the Green Bay Packers, Brewers, and Chevy Trucks. Most of all, Wayne loved and cherished his family above all else. He took great pride in being a father, grandfather, and great grandfather.

He is survived by his loving wife, Fern; son, Dale (Debbie) Hagen; daughters: Dawn (Joe) Meyers and Darcy (Lee) Winter; grandchildren: Wayne Hagen, Nicholas (Kayla) Hagen, Brock Winter, and Brynn Winter; great grandchildren: Chaz, Mason, Mya, Colin, and

Chance Hagen; nieces, nephews, and many other family and friends. Wayne was preceded in death by his son, Dean Hagen; parents; stepfather, Ted Jarchow; brothers: Clarence, Allen, Donald Hagen; and sister, Bonnie Peterson.

Funeral services will be held at 11 AM Friday, June 9, 2023, at St Paul Lutheran Church, Cumberland, WI with Pastor John Miels officiating. Burial will be in Lakeview Cemetery in Turtle Lake. Visitation will be from 9:30-11 AM.

Skinner Funeral Home of Cumberland is serving the family.

LETTERS Editor
advertising the sale of delta-9 THC. The reason is a product that contains .3% or less delta-9 THC that was extracted from hemp, and not marijuana, is legal to possess in Wisconsin. Unfortunately, for consumers, the adage of “buyer beware,” is particularly germane. Consumers can only rely on a vendor’s word that products the vendor is selling (either delta-8 THC or .3% or less delta-9 THC) are derived from hemp and not marijuana.
A final note of caution. In Wisconsin, there is a zero tolerance threshold for operating while under the influence of a restricted controlled substance which includes delta-9 THC. Neither the legislature nor the courts have specifically addressed the question of whether there is any distinction in the zero tolerance threshold for operating while under the influence of a restricted controlled substance for delta-9 THC that is extracted from hemp.
In an article written by Dr. Kevin Sabet, a former senior drug policy advisor to the Obama Administration, he writes: “In Michigan, the proportion of fatal crashes that involved marijuana has more than tripled, accounting for nearly 1 in 4 accidents where the driver was tested.” The surest way for anyone to avoid being arrested for operating while under the influence of a restricted controlled substance is not to drive if they have ingested any substance that contains delta-9 THC, whether legally or illegally obtained.

OBITUARIES

Dale O. Evenson

Dale Otto Evenson, 80, of Rice Lake died, June 5, 2023, peacefully at his home just as he had wanted. He was born October 6, 1942, in Mauston, WI to Lloyd and Myra (Johnson) Evenson.

Dale started working in the telecommunications industry in 1963 in Hudson, and then the Turtle Lake telephone company from 1977-2004 He cherished the years on the farm in Spring Valley with their young sons.

He volunteered at the Moon Lake Threshing Bee, the Cameron Pioneer

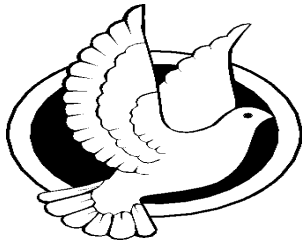

Village Museum, and as a Volunteer Fire Fighter on the Turtle Lake Fire Department for 20+ years.

Dale loved spending time in the woods, feeding the birds and CATS, and going hunting with his boys. Anytime he had a cup of coffee in hand, he was a happy camper. Over the past five years, Dale has found comfort and peace in trusting God's word and purpose.

He is survived by wife, Carol; children: Chad (Sabrina) Evenson, and Wade (Rebecca) Evenson; grandchildren: Amber, Will, and Russell Evenson; great grandchildren: Lenora and Henry; siblings: Marlys Orf, Sue Hopkins, and Vernon Evenson; many nieces, nephews, and other family and friends. Dale was preceded in death by his parents: Lloyd and Myra; son, Rodney; second wife, Sandy; granddaughter, Kayla; and sister, Lois.

Funeral services will be held at 11 AM Saturday, June 10, 2023, at Skinner Funeral Home in Turtle Lake. Burial services for Dale Evenson and his sister, Lois Weber, will be in Lakeview Cemetery in Turtle Lake. Visitation will be from 9 - 11 AM.

Skinner Funeral Home of Cumberland/ Turtle Lake is serving the family.

Marjorie R. Lenz

Marjorie Ruth Lenz, 71, of Frederic passed away Thursday, May 18, 2023, at her home. She was born July 10, 1951, in Cumberland, WI to William and Ruth (Jansen) Sirianni. Marjorie was born and raised on a farm near Cumberland. Her favorite color was blue, and she loved flowers, particularly roses. She was married on

October 29, 1994, in Barronett, WI to Gary Vern Lenz.

She is survived by her husband of 29 years, Gary; siblings, Annette, Joe (Lynda), Eugene (Sarra), Bob (Jeanne), Bette, Bill (Colette), Debbie (Andy), Craig (Ruth); many nieces, nephews and great nephews and nieces. Marj was preceded in death by her parents, Ruth and Bill; and

two brothers-in-law, Rich and Marvin.

A Celebration of Life for Marjorie will be held Saturday, June 24th, from noon to 4 PM at The Southfork Sportsman Club, 3537 78th St., in Lewis, WI. The family will be providing food and refreshments.

Skinner Funeral Home of Cumberland is serving the family.

Church Directory

“Give Thanks”

by *Pastor Shane Anderson*
Augustana Lutheran Church

Brothers and sisters in Christ,
 With Memorial Day weekend in our rear view mirror, summer is now officially here! As people are apt to make the most of this all too short season by going to the cabin, gardening, traveling, cookouts, or fishing, I just wanted to share my summertime prayer:

Gracious Heavenly Father,
 We give you thanks for the changing of the seasons; for the new growth of flora and fauna and for our time of warm summer leisure. We pray that everyone in our congregation and communities has ample time to spend with friends and family, and that in the waning light of each summer day, we may take a moment to give thanks for your wonderful creation, and for all the gifts which you have given us. All this we pray in the name of Jesus Christ our Savior and Lord, who lives and reigns with you and the Holy Spirit, one God, now and forever.

And all God's children said, “Amen.”
 And the devil said, “Bummer dude!”

have access to common over-the-counter products. In addition, Maple Ridge Pharmacy offers support to patients that includes a medication synchronization program to fill all of a patient's prescriptions at the same time each month, a meds-to-beds program for delivering hospitalized patients their discharge medications bedside before heading home, a text messaging service for patients to communicate with staff and receive notifications about completed prescriptions, and outpatient medication counseling.
"While Maple Ridge Pharmacy shares the building with Cumberland Healthcare, it's open and available to everyone, not just those who receive medical care through Cumberland Healthcare," pharmacist Jacob Jensen noted.

"Almost everyone will be a new patient for us at this point, so please remember to bring your prescription insurance card and be prepared to provide us intake information like any allergies and current medications. Then, if you are set up ahead of time, we will be better positioned to care for you when you need something."
"We are excited Jacob joined our team at Cumberland Healthcare to help better serve our patients and community," says Mike Gutsch, CEO. "Having a pharmacy in-house simplifies the process for patients and improves the continuity of care."
The pharmacy hours are 9:00 AM to 5:30 PM Monday through Friday and 9:00 AM to 12:00 PM on Saturday. You may reach us by calling 715-822-7548. Please stop by the pharmacy the week of June 19th for our Grand Opening. Refreshments will be available; sign up for a chance to win giveaways and meet Jacob Jensen, Pharmacist.
Cumberland Healthcare is an independent, not-for-profit, critical access healthcare facility in your community, providing a full spectrum of services to all ages every step of the way.

Northwoods Notebook...

centers of culture in small towns. When people got automobiles that allowed them to travel to larger cities for entertainment, opera houses were no longer needed as performance spaces.
Throughout the country, they've been adapted for other uses. In Cumberland, the opera house became a furniture store, then an apartment building. Soon, it will be what's known as a "mixed-use building," with apartments and commercial spaces that will rent for about \$1,000 a month.
If Alguire can't rent all the first-floor spaces to businesses, he'll rent them as apartments. And he said they'll be nice apartments.
"We need that," he said. "You've got some people making pretty good money who want a nice place to live."

Genealogy Society Documenting Chetek Cemetery

The Blue Hills Genealogical Society will meet Monday, June 12 at 2:00 P.M. at the Lake View Chetek Cemetery to work on taking pictures and documenting text of the tombstones. The Cemetery is located at the corner of County Highways D & M, Chetek. The public is invited to help with the project. Wear sturdy shoes, work clothes, and bring a digital camera. Clipboards, pencils and paper will be provided. Be prepared to furnish your own water to drink while working.
The Blue Hills Genealogical Society is documenting all the cemeteries in Barron County. They have finished work on 66 cemeteries. The pictures of the tombstones and transcriptions of the text on the stones is available online at www.bhgsbc.org. Copies of the photos and text are available for order.
The Society maintains a Resource Library at 410 E. LaSalle, Suite C, Barron that is open to the public by appointment to do genealogy research. Call Rosella Amundson, 715-537-5760 to make an appointment. To see what resources are available at the library, go to the Society website at www.bhgsbc.org and click on the Resources tab. If you live a distance from Barron, Rosella Amundson will also research information from the Research Library for you for a charge. Call her to set up a research project order for your ancestor.
If you would like to join that Society, you may send a check

2023 State Track & Field Championships!

Otto Caps Excellent Season With Fifth Place Finish At State Track Meet

Junior Andie Otto came away with a fifth-place finish in the 100-meter hurdles at the WIAA State Track Meet in La Crosse last weekend. It culminated an excellent spring for the underclassman, who also competed in the 300-meter hurdles at the event.

Otto qualified for the championships on Friday and then ran a School Record 15.86 in Saturday's finals to finish less than a second behind Florence Sophomore Kamdan Johnson, who ran a 15.01 to win the event.

Otto also qualified for the 300-meter finals, where she finished ninth with a time of 47.54, just short of her own School Record set at Regionals. Taking first place was Webster's talented Ava Washburn, with a time of 44.51. The State Record for D3 is 43.75.

"It was an outstanding

conclusion to Andie's excellent spring. The coaches are excited to see what Andie can improve upon next season," said Coach Ryan O'Connell.

Also running in La Crosse was the 4x200 meter relay team made up of Edward Chafer, Gavin Gores, Chayden Berghammer and Roman Ranallo. They team ran a 1:37.48 in the preliminaries and did not qualify for the finals, which was won by Eau Claire Regis with a time of 1:28.51.

Team Championships were won by Fall Creek in the female division and Shiocton for the boys. "It was a great weekend at State and the coaches are very proud of our participants here and our team throughout the entire spring," concluded O'Connell. The Beavers Track Team broke six school records during the course of the 2023 season.

Andie Otto in the 300 meter hurdles at the State Championships held in La Crosse.

Edward Chafer runs his leg of the 4X200 meter relay at the State Meet last Thursday in La Crosse.

Chayden Berghammer takes off at the State Meet in the 4X200 meter relay last Thursday in La Crosse.

Support your friends and neighbors!
SHOP CUMBERLAND!

Andie Otto set a school record with a time of 15:86 to finish in fifth place in the 100 meter hurdles at the State Meet held in LaCrosse last Thursday and Friday, June 1st and 2nd. Congratulations Andie on a great year in multiple events!

Andie Otto clears a hurdle last Friday at the State Meet in La Crosse.

Gavin Gores passes the baton to Roman Ranallo in the 4X200 meter relay at the State Championships last Thursday in La Crosse.
