TOGETHER, WE ARE MAKING COMMUNITIES SAFER, MORE CARING PLACES TO LIVE AND WORK

## Much Appreciated!

The Spot Bar was the recipient of 50 People & More Who Care's quarterly grant. Kathy Otto was extremely grateful and said the money would be used to replace a very old furnace that went out last winter. Pictured from left to right are 50 People & More Who Care members Phil Flottum, Shay Horton, Spot Bar owner Kathy Otto, member Larry Werner, 50 People & More Who Care President Ellen Sendelbach and members Michael and Susie Tempesta. Congratulations Kathy! Anyone wishing to join or apply please go to <https://50peoplewhocare.org/>

## School Board Awaits Community Input on Potential November Referendum

School Board President Dr. Eric Stone called the July Board Meeting into session on Tuesday, July 19 at 6:00 pm.

Following approval of the consent agenda and with no recognized delegates, the Board continued with the business of the District.

Athletic Director Lorne Majewski began with a brief District Report on summer activities and the dates of the quickly approaching fall sports schedules for both high school and middle school. Football practice will kick things off in less than two weeks with their first practice scheduled for August 2.

Action items followed, first with a preparatory 2022-2023 budget report from District Business Manager, Steve Mann. The Annual Meeting this fall is when formal approval of the school budget takes place, but Mr. Mann's presentation was for preliminary approval by the Board. His report projected revenues of \$14,745,400 and expenses of \$15,377,600 with a planned deficit of \$632,200 due to roofing projects at the Elementary and Middle Schools with fund balance covering that deficit. Mr.

Mann indicated an expected drop in the Mill Rate from \$8.24 to \$7.70 and noted that these numbers will change slightly between now and the Annual Meeting. Preliminary approval to the Fund 10 budget report passed unanimously.

The Board then approved a State requirement of acceptance and identification of the 2022-2023 Wisconsin Model Academic Standards for the District. Superintendent, Dr. Barry Rose addressed the topic, giving examples of how the standards are currently written into the curriculum and adding the District has incorporated standards into more than the required four core areas. The Board approved and identified these Standards unanimously and will have them posted for resident awareness.

Numerous resignations and school employment were then approved by the Board.

Resignations included Holly Schramski from Wrestling Cheerleader Advisor and Nick Johnson from Assistant Baseball, while those approved for employment included Kelly Hoelt from the School Com-

## Real Estate Taxes Are Due July 31st!

Yvonne Ritchie, Barron County Treasurer, is reminding you that the 2021 Postponed Real Estate Taxes are due on or before July 31, 2022. City of Rice Lake 2021 property taxes MUST be paid to the Rice Lake City Clerk's Office. All other property taxes in Barron County must be paid to the Barron County Treasurer. Payments can be made online, in person, or by mail. We also have a drop box by the main entrance (on Monroe Ave.) to the Barron County Govern-

ment Center. When mailing payments please enclose a self-addressed, stamped envelope with the tax payment if you want a receipt. Payment options, tax amounts, and payment status can be found on the Barron County website at [www.barroncountywi.gov](http://www.barroncountywi.gov). Click on the "Tax Data" tab to pay online with a credit card or by e-check (there are additional fees if using the online payment options). Please call us at (715) 537-6280 if you have questions.

## Northwoods Notebook: 50 Who Care . . . about Spot Bar

By Larry Werner

One day, about eight summers ago, my buddy Bob and I were picking up some bait at Indianhead Sport Shop. I had just bought a place in Cumberland a few months earlier, and we asked then-owner Tim Twait where a guy could get some good food in my new town.

He mentioned the burgers at Corner Bar, pizza at Sammy's (which was still open), and "the best chicken in town" at Spot Bar. We tried the chicken, and now

every time Bob and his wife come to Cumberland for a visit, we've got to head downtown for the broasted chicken at the Spot.

The unpretentious watering hole has other good food, like burgers and French fries and other tasty options. The bar has been around for a long time on Second Avenue, and Kathy Otto has owned it for 28 years.

The building is a little worn, and last winter the furnace went out – on a

bitterly cold day, of course – and she got it fixed. But a little while later, she went downstairs to check on the furnace, and black soot indicated there had been a fire in the old heater.

"I definitely need a new furnace," she said in her application to 50 People (& more) Who Care, an organization that has been providing grants to local businesses for two years.

The organization, started by Cumberland resident E. Dennis Zahrbock, has more

than 100 members who contribute \$100 each quarter, then choose a lucky business.

Last Friday morning, Kathy Otto got a check for \$10,700 for a new furnace. In her application, Otto pointed out that in addition to the bar, she also has apartments on the second floor of her building, and a fire in her building would be "a major production."

She said after receiving the check, "I fell off my chair. I

## Kinship Annual Fundraiser Saturday, August 13

Kinship of Cumberland & Turtle Lake's annual fundraiser is coming up soon. The annual event takes place on Saturday, August 13th, from 5pm - 9pm at the Das Lach Haus in Cumberland.

Kinship is a wonderful community program that matches adult volunteers with kids who for a variety of reasons can benefit from a special relationship with an adult. The adult volunteer shares time and experi-

ences they both can enjoy on a weekly basis. It could be fishing, going to a movie, playing catch, baking cookies or just going for a walk. Though the activities are not as important as the time the volunteer and child spend together, those that emphasize safe, enriching and educational experiences, and promote responsibility and community participation, are encouraged and supported by Kinship.

Kinship began in Minne-

apolis, MN., as an outreach program. That was over 40 years ago.

The one on one mentoring was so successful, the program was expanded to reach other children. Originally the program served at risk youth who had been involved in the court system. The focus of the program was shifted to prevention and working with young children.

This year's fundraiser features a prime rib dinner and

a comedy show featuring the hilarious duo of Marjean Rowan and Chad Filly. There will also be raffles and a silent auction. Tickets are \$50.00 and available for purchase at [www.kinshipct.org](http://www.kinshipct.org). Spaces are limited. For more information on Kinship or the fundraiser you can also call Amanda at 715-419-9747. Come out and support a great organization.

## Cumberland Car Cruise!

Over 60 cars and trucks took part in the first "Cumberland Car Cruise" last Thursday July 21. The event was sponsored by the Cumberland Main Street Collaborative. A good time was had by all who attended the event. The next "Car Cruise" is scheduled for August 18.

# Sports

## Hall Of Fame!

Roger Thompson

### Roger Thompson; Cumberland Athletic Hall of Fame Inductee

Another of this year's inductees into the Cumberland Athletic Hall of Fame is 1973 graduate, Roger Thompson.

Thompson lettered 10 times during his four years with the Beavers, four in baseball and three each in football and basketball. He would serve as a team captain in both basketball and football and be a member of the 1971 Basketball State Tournament Team. "I can still recall the thrill of running onto the court in Madison," said Thompson.

In football, Thompson was a two-way performer and the team's starting quarterback. He said of his memories on the gridiron, "There was nothing like a home football game under the lights at Moser Field." Following the graduation of a strong class the previous school year, the Beavers finished third in the HON his senior season. Led by a tough defense and 1,000 yard rusher, Tracy Schiebel, Thompson led the team in passing, was third in rushing, and was a member of the team's defensive backfield, where he grabbed three interceptions.

In basketball, Thompson was a solid performer as a sophomore and junior and joined Brad Curtis as the only two returning lettermen his senior year. "Our off-season preparation included many memorable pick-up games outside at Miller Hill or the city park," he recalled.

Thompson would finish eighth in the HON in scoring that winter, giving the city hoops fans another solid year of basketball. He was named the team's MVP following the season.

In baseball, Thompson was a starter for four seasons. He was the Beavers' number two pitcher as a junior behind Ron Ruppel, grabbing two of the teams seven victories on the mound with an ERA of 2.85. This would lead to a

strong senior season, as he took over as the team's top pitcher and struck out over nine batters a game, while leading the Beavers in wins.

Roger fondly remembers his high school career saying, "I was fortunate to have participated with so many great teammates and classmates who supported each other and to have played for so many great coaches. We also received outstanding support from the community, who packed the gyms and filled the bleachers at Moser Field."

Thompson was given the American Legion's "All-around Athlete Award" following his senior year.

Thompson would attend UM-Duluth, following graduation and go on to a stellar football career for the D2 Bulldogs and Coach Jim Malosky. Recruited as a defensive back, he took over as the team's starting quarterback his sophomore season and led the team to a 12-3-1 record, until being sidelined by an injury his junior year. He would return as a starter in the defensive secondary to finish up his senior season.

Thompson would go on to a career in education, retiring in 2017 after spending his last 20-years as a Principal in the Mounds View, Minnesota School District. Among other duties, Roger supervised five Special Education programs and served on a State of Minnesota Task Force for students with Emotional and Behavioral Disabilities. Prior to going into Administration, he did some coaching and was named the Minnesota District 10 "Girl's Basketball Coach of the Year" in 1981.

Thompson will join five other deserving individuals at the September 17 Induction Banquet. The city that supported him in high school is waiting to say "Congratulations" once again.

## Tournament Champs!

On Tuesday July 19th, the Cumberland Basketball Team traveled to Wisconsin Dells to play in the Jerry Pettigou Invitational. They defeated Wisconsin Heights, River Ridge and Bangor to win the Division 3 Championship. Pictured front row from left to right: Gavin Gores, Uriah Johnson, Chayden Framsted, Nathan Schmidt, Alex Efertz Back Row: David Olson, Monty Peterson, Jax Effertz, Vaughn Johnson, Coach Olson

### Noah Sellent Attends Badger Boys State!

Noah Sellent

Last month Noah Sellent, a senior from Cumberland High School, attended the 79th session of Badger Boys State held at the UW-Eau Claire campus. This was a week long program sponsored by the American Legion Department of Wisconsin. This was the first session held since 2019 and just for the 2022 session seniors were allowed to apply due to the cancellation of the 2021 session. While seniors were not eligible to attend Boys Nation or earn the Samsung Scholarship, their participation in the program was otherwise

identical to Junior students. This was important to note because they told Noah had he been a junior he would have been selected to go to Boys Nation. Only two participants are selected from each state and with 718 young leaders from across the State of Wisconsin attending, this would have been a great honor.

Noah said this was a great experience and that he learned a lot about how the government operates. He made five good friends and would highly recommend this program to all students in the junior class at Cumberland High School.

Upon arriving at the 2022 session of Badger Boys State, participants will become citizens of one of 27 cities and one of 9 counties within Badger Boys State. Citizens are tasked with electing public officials at the city, county, and state levels and governing effectively throughout the session.

Through this process, young leaders not only

learn the fundamentals of civics, but also develop the interpersonal skills and confidence necessary for the next generation of leaders to feel empowered to be leaders in their local communities. The next generation of leaders, just like any before them, have immense societal challenges to address, and our staff takes seriously our responsibility in helping young leaders develop the education and skills needed to make a positive impact.

Previously held at Ripon College, Badger Boys State will spend at least the next three years at UW-Eau Claire as part of an agreement reached in October 2021.

Dr. Geoff Peterson, professor and chair of UW-Eau Claire political science department, stated that these are highly engaged students who are actively seeking not only the universities in their futures but ways to contribute to their communities and state in meaningful ways. Dr. Peterson also noted that Badger Boys

State has a long list of distinguished alumni that includes governors, lieutenant governors, state and national representatives, NASA scientists, CEOs and more.

Noah graduated from Cumberland High School in the Spring of 2022 as a high honor student, athletic scholarship recipient at Anderson Thompson Post 98 in Cumberland, and Heart 'O North All Conference 1st Team in soccer. Noah will be majoring in Exercise and Sports Science at UW-La Crosse this fall. He was sponsored by the Wallace Jerome Foundation in Cumberland.

If you are interested in Badger Boys State and other youth programs sponsored by the Wisconsin Legion, please visit [www.badgerboysstate.org](http://www.badgerboysstate.org) or contact the Cumberland High School at 715-822-5121 for a listing of all programs.

### Sports Look Back, July 31, 2002

The Cumberland American Legion Baseball team, Post 98, came close, but could not beat Prescott as they fell to the Cardinals twice in the double elimination tournament.

Prescott beat Cumberland 8-1 to win the title behind the pitching of Chad Toulouse. Tyler Harris had a long homerun for the winners and Tyler Jarchow had a pair of hits.

John Sopiwnik took the pitching loss for Cumberland. Matt Strickland knocked in Cumberland's lone run on a ground out, scoring Sopiwnik who had

tripled.

Cumberland opened a play with a 3-1 win over Spooner on Saturday morning. Sopiwnik got the win with help from Patrick Cifaldi who got the final two outs in the seventh inning. Sopiwnik struck out four and scattered three hits.

Cumberland began quickly as Patrick Cifaldi doubled to start the game and Sopiwnik followed with a triple. He later scored on a Matt Strickland ground out.

The other Cumberland run came in the sixth inning when Mark Wickre tripled and then scored off a sacri-

fice fly by Strickland.

Cumberland then lost 6-0 to Prescott as the locals got but one hit, a Matt Rosin single in the second inning.

Cifaldi pitched well, but took the loss. He pitched six innings, allowing five runs while striking out three.

Cumberland rebounded with an 8-0 shutout of Bloomer on Sunday morning. Kyle Tempesta got the win as he pitched six innings. Matt Rosin worked the seventh inning. Tempesta struck out three and allowed but three hits.

Patrick Cifaldi and John Sopiwnik had two hits each

for Cumberland while Jake Blaskowski added a long triple.

Post 98 then dropped the game to Prescott in the title game.

Cumberland finished the season with a 14-13 record.

Post 98 had four players named to the all-regional team. They are John Sopiwnik, Patrick Cifaldi, Mark Wickre, and Matt Rosin. Cifaldi was named the teams MVP and Jake Blaskowski was named most improved player.

### Want To Go Hunting? DNR To Host Intro To Hunting Webinar Series Beginning July 28

MADISON, Wis. – The Wisconsin Department of Natural Resources (DNR) will host the first of several educational hunting webinars beginning July 28 for members of the public that are new to hunting or hunting curious.

The webinar series is in partnership with the National Wild Turkey Federation,

Pheasants Forever and Becoming an Outdoorswoman. The series is designed for those interested in learning about hunting, fishing and trapping.

Each episode will feature guest speakers sharing their experiences getting started with hunting and include discussions addressing common challenges faced

by those new to hunting, fishing or trapping.

The first webinar of the series – Wanna Go Hunting? Let's Get Started! – will cover how to get started and includes insights from novice hunters who explain their hunting journey through the eyes of a beginner.

"Hunting has a rich tradition in Wisconsin and is a sport open to everyone. This episode is ideal for those who have thought about trying hunting but had no idea where to start," said Bob Nack, DNR Recruitment, Retention and Reactivation Team Supervisor. "Attendees will learn a few easy suggestions and direction for getting started, as well as how our guest speakers got their start in this Wisconsin tradition."

Following a brief presentation and panel discussion, the audience will have opportunities to ask questions that panelists will answer

at the end of the program. Each webinar will be recorded and available online.

Time spent honing shooting skills, readying equipment and scouting the land for game are enjoyable pastimes and can pay off when the season opens. Bonds with family and friends strengthen during the hunting seasons as new traditions begin.

Learn more about various hunting season dates, rules and regulations, harvest quotas and more on the DNR website.

#### EVENT DETAILS

What: Wanna Go Hunting? Let's Get Started! Webinar

Who: New hunters Andrea Lutz, Michael Menon and Martin Perales

When: 7 p.m. Thursday, July 28

Where: Tune in via YouTube here. The webinar will be recorded and can be viewed on YouTube any time using the same link.

## Barron County COVID-19 WEEKLY REPORT

### COVID-19 Community Level

COVID-19 Community Levels are a new tool to help communities decide what prevention steps to take based on the latest data. Levels can be low, medium, or high and are determined by looking at **hospital beds being used, hospital admissions, and the total number of new COVID-19 cases** in an area. Take precautions to protect yourself and others from COVID-19 based on the COVID-19 Community Level in your area.

\*These recommendations DO NOT APPLY IN HEALTHCARE SETTINGS such as hospitals and nursing homes.

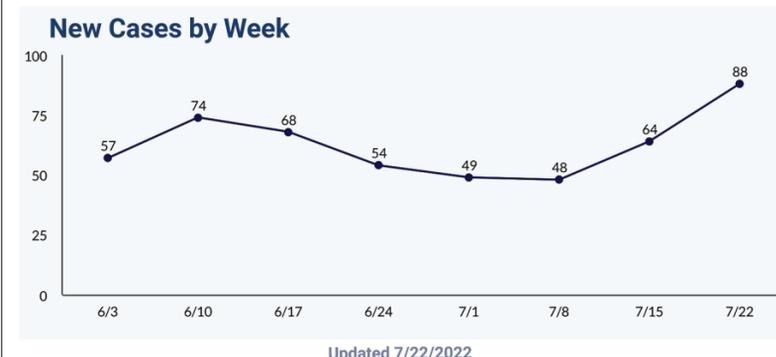

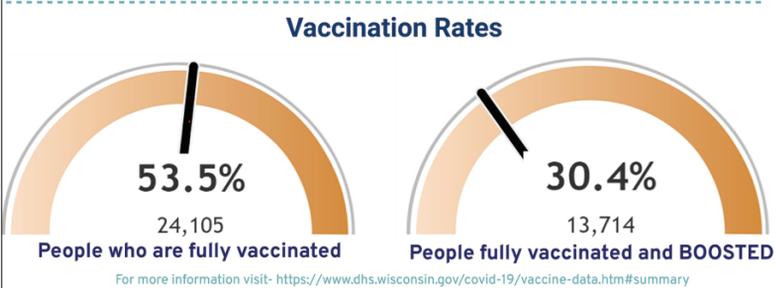

COVID-19 Community Level	You Should
LOW	<ul style="list-style-type: none"> <li>Stay up to date with COVID-19 vaccines</li> <li>Get tested if you have symptoms</li> </ul>
MEDIUM	<ul style="list-style-type: none"> <li>Talk to your doctor about whether or not you need to wear a mask and take other precautions if you are at high risk for severe illness.</li> <li>Stay up to date with COVID-19 vaccines</li> <li>Get tested if you have symptoms</li> </ul>
HIGH	<ul style="list-style-type: none"> <li>Wear a mask indoors in public</li> <li>Stay up to date with COVID-19 vaccines</li> <li>Get tested if you have symptoms</li> <li>Take additional precautions as needed if you are at high risk for severe illness.</li> </ul>

For more information visit- [https://bit.ly/community\\_levels](https://bit.ly/community_levels)

\*People may choose to mask at any time. People with symptoms, a positive test, or exposure to COVID-19 should wear a mask.

<b>Cases</b> <b>+88</b> Since Last Report 13,739 total cases	<b>Deaths</b> <b>+0</b> Since Last Report 141 total deaths

CUMBERLAND, WI

TOGETHER, WE ARE MAKING COMMUNITIES SAFER, MORE CARING PLACES TO LIVE AND WORK

## It's Cool To The Touch on Aug. 2

The largest band in the Island City Music series will take the Library Lake stage on Tuesday, Aug. 2. Cool To The Touch, led by Jeremy Westin and Ben Peichel, will play from 6 p.m. to 8 p.m.

The free concert is sponsored by Louie's on the Lake, and food will be served by Louie's on the Lake from the Little Red Caboose.

Not only is CTTT the largest band playing this summer on the small Library Lake stage, its music is the most eclectic, ranging from 90s alternative rock to country, blues, folk and some original songs. The band consists of Westin on lead guitar, Peichel on bass, Beth McClain on keyboard,

Gerard Bents on rhythm guitar and Shawn Muench on drums.

This will be the eighth concert in the 10-concert summer series presented by Enrichment Through Culture (ETC), Cumberland's arts council, with sponsorship by local businesses and organizations.

The school district's kayaks are available for use at the dock across the road from the Auto Value store. You can reserve a kayak by emailing Sue Bridger, community education director, at sbrid@csdmail.com or calling her at 715-822-5121.

If it rains, the concert will be held at the Cumberland Arts Center.

Questions? Email lhwer-ner47@gmail.com.

Cool to the Touch band members from left to right are: Shawn Muench, Beth McClain, Ben Peichel, Gerard Bents and Jeremy Westin. They will be playing on the shores of Library Lake on Tuesday, August 2nd from 6pm - 8pm.

**HAPPY BIRTHDAY KEN!!!**

**SPECIAL K TURNS '60'**

**BUS STOP/COMEDY**  
A Musical by William Inge  
•Director: Kathy Fladten•  
Produced by special arrangement with Dramatists Play Service

In the middle of a howling snowstorm, a bus out of Kansas City pulls up at a small roadside diner. All roads are blocked, and the travelers on board must take refuge in the diner. Cherie, a nightclub singer, has the most to worry about. She is being pursued by a young cowboy with all the romantic finesse of a rodeo bull. As a counterpoint to the main romance, the proprietor of the cafe and the bus driver find time to develop a friendship of their own.

**Wednesday August 3rd thru Saturday August 13**  
No performance on Sundays

Time - 7:30 p.m. each evening • Single Admission — \$18

## School Board...

munity Outreach program, Keri Rouzer as Middle School Secretary, Justice Broker as 6th Grade Teacher, Kristen Larson as 4K Teacher, Joseph Serbiak as High School Special Education Teacher, and Katrina Hasman, Nevada LeBow, and Megan Rassbach as Elementary Special Education Aides. Further coaching approvals came for Tirzah Zipperer as Middle School Cross Country Coach and Kristen Larson for C-Team Volleyball.

The Board then heard a report from Director of Buildings and Grounds, Brandon Johnson, on summer projects at the three schools. He gave an extensive update on tasks being completed in the buildings as well as Islander Park and the rest of the school grounds. Despite work still being completed on the roof project, he said it had been a good and successful summer, while each of the three building Principals thanked him and his staff for, "Their excellent work."

The evening concluded with the Administrative reports.

Elementary Principal Jim Ritchie pronounced that Summer School was winding down and Foundation Camp was ready to start with 87 students signed up. The Camp will take attendees, first through fourth Grade, into three days each at Scoutland, the School Forest, and Timberland Hills and a final day at Endeavor Stadium. He also added an action grant would be bringing a program, "Seasons of Literacy" into the Elementary activities this fall.

High School Principal Ritchie Narges announced that all seven remedial students in English had passed their summer school work and that one exchange student from Austria was scheduled for attendance this fall. He also showed enthusiasm for the return of ITV Distance-Learning Classes for High

School students this school year. Taught over the internet from area high school educators, students will be able to take German, American Sign Language, Accounting, and several other classes currently unavailable to District students. He announced early sign-ups were excellent with 19 already enrolled in Sign Language class and eight in German.

Middle School Principal Colin Green updated the Board on the Playground Project, scheduled for completion early next summer, the on-going tutoring program, and other Middle School activities.

Dr. Rose concluded the evening by updating the Board on the recently dispatched informational surveys to residents on a proposed Building referendum. Currently 426 surveys have been returned with a July 25th deadline line for completion. With hopefully many more still coming in, School Perceptions will update the Board on the final results of the community responses at the August Meeting, which will then provide the information needed for a possible November referendum.

Dr. Rose also discussed the implications to the Elementary School on the Highway 63 project scheduled for the Spring of 2025. Dr. Rose and Board Member Rick Reiper have had an initial meeting with city officials to take a preliminary look at the expected aftermath of the work. With the preliminary information provided, Dr. Rose question for the Board was, "What do we want to do with the sidewalks," which will be broken up as part of the State venture. Dr. Rose would like to discuss further options during the August Meeting.

The next regularly scheduled School Board Meeting was set for 6:00 pm on August 16th with the possibility of a Special Board Meeting prior to that date following the findings of the on-going community survey.

Over 60 cars participated in the 1st ever Cumberland Car Cruise held on Thursday, July 21st. Car cruises will be held on the 3rd Thursday of the month, with the next one scheduled for August 18th.

## Man Points Gun During Disagreement

On 07/21/2022, the Burnett County Sheriff's Office responded to a complaint, in Meenon Township, of a man brandishing a handgun during a disagreement and pointing it at multiple individuals, including a 9 year old child. The suspect(s) left prior to law enforcement's arrival.

A review of recent reports showed this same individual, 28 year old James E. O'Brien II, had been suspected of shooting at / near other people in the area with a long gun. Based on this information, additional resources were requested through the Washburn County Sheriff's Office, the Sawyer County Sheriff's Office and the Wisconsin State Patrol. Both the drone and the tactical robot were utilized. O'Brien was taken into custody without additional incident. Charges have been referred to the Burnett County District Attorney's Office.

We are thankful for the dedication of our neighboring agencies and appreciate their willingness to help our community.

Sheriff Tracy Finch

## Northwoods Notebook...

almost cried" when she got the news she was the winner of this quarter's grant. She's called the furnace company and wants the new heating system installed by fall.

The two other finalists in the latest round were Red Brick Café and Brickyard Pottery, both in Barronett.

Ellen Clare Sendelbach, president of 50 Who Care, said the group of 108 has given more than \$90,000 to local businesses since it was formed by a Bible-study group that used to meet at Peter & Annie's.

"I'm blown away," Sendelbach said. "It's always so exciting when you hear their expressions and see their faces and see their responses. We're excited about doing what we're doing. I think there have been a few who have shed a tear. To

think it was a group of guys sitting around a coffee shop saying we should do this."

Kathy Otto said she will now join the organization, as have several other winners of the quarterly gifts. She said it's a wonderful thing for people to support businesses in this way.

Come winter, when Bob and Debbie come for a visit, we'll go to the Spot and order the chicken, and the place should be nice and warm, thanks to that new furnace, which was paid for by an organization that set out to find 50 people willing to donate \$100 a quarter and, this being Cumberland, got more than 100 who care.

# Opinion

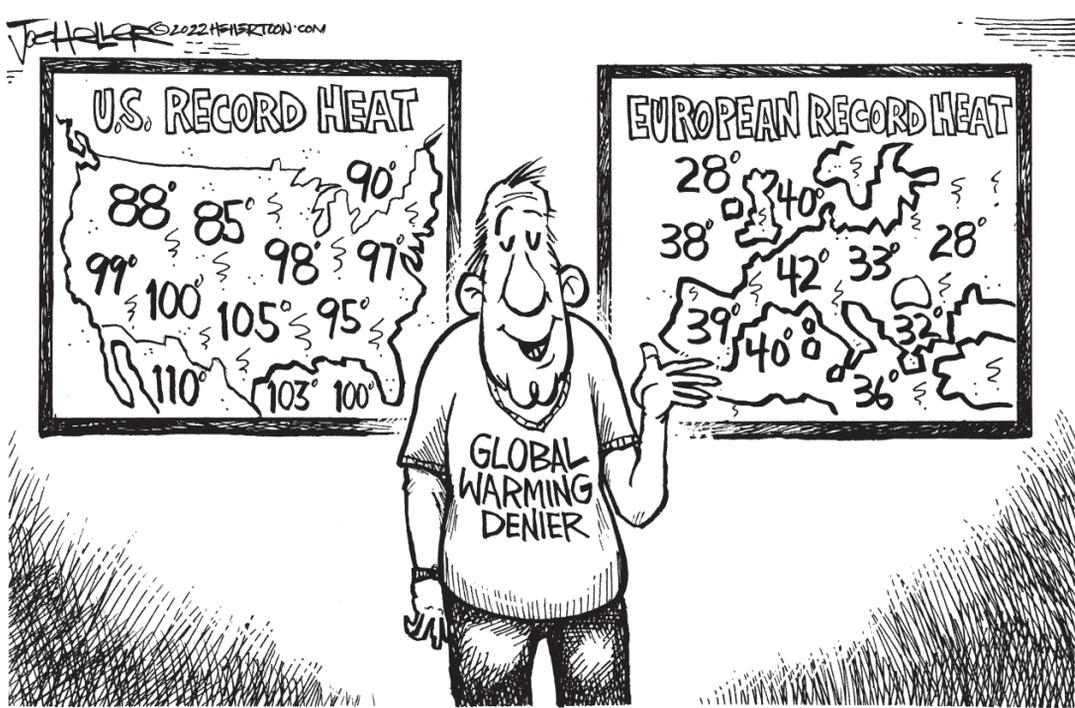

By Craig Bucher

I have had the opportunity to watch a bunch of television programs since I have been confined to a rehabilitation program in the Cumberland Care Unit. It is working and I am slowly getting stronger. Meanwhile, it is boring and the television set has become the way I get a lot of my entertainment. If you have cable, in addition to the basic programming, there is quite a wide variety of program choices. From classic movies to game shows to “Soap” operas to sporting events, to news programs, and to reruns of almost every situation comedy of the past 50 years. The most interesting thing, about daytime television, is to me, the commercials. It appears to me that about seventy percent of advertising comes from some aspect of the medical field. From pharmaceuticals to some form of treatment it is all covered. A viewer is urged to talk to their medical provider about various name brand drugs that will cure everything from skin problems to cancer in all of its various types. The advertising runs continually on most of the cable channels. It must work, otherwise the companies would not continue to spend the enormous amounts of money needed to finance the advertising time purchased. Advertising works and as consumers we must watch the truth of the advertising spots. Nobody is protecting your back. A generic drug might do the same thing as the “name” brand that is doing the advertising at a cost as much as seventy-five percent less. I think it is better to trust a doctor rather than a television pitch man. At the very least it might save you a lot of money just by checking out the claims made by the advertiser on television.

I don't get it... Over the weekend, the news reported that a deal had been reached between Ukraine and Russia to have Ukraine ships allowed to carry grain for hungry people in Africa and other poor nations. Great I thought! The war is ending. If that is true, why did Russian missiles strike the very port that was to carry grain? The day after the agreement is reached, two Russian missiles struck the Odessa port that was being readied to begin shipping much needed grain to poor countries. The grain, from Ukraine, usually is the largest source of food for many of the poorest countries in Africa. If we are going to continue to fund the Ukraine military effort it seems to me that we must have the ability, from Ukraine, to guarantee Russian compliance in any of these so called “Humanitarian” deals for the “good of humanity.”

SEE YOU NEXT WEEK!

“I BELIEVE I'M MUCH MORE CREDIBLE IN CELSIUS THAN FAHRENHEIT!”

## Inside Wisconsin

by Tom Stil

### “Dialing 9-8-8 for mental health help: It’s step forward, but only part of solution”

MADISON, Wis. – The technology behind the July 16 switch to the 9-8-8 suicide and mental health crisis hotline was not all that revolutionary. It was more a matter of rebranding the existing National Suicide Prevention Lifeline and re-routing calls to an easy-to-remember three-digit number, much like 9-1-1.

What happens after someone in need dials 9-8-8 will likely vary, however, even if the hotline is a step in the right direction.

Modeled after 9-1-1, the new “Suicide & Crisis Hotline” is designed to be a quick way for people in crisis to get connected to an existing network of more than 200 local crisis call centers around the country. People who call or text the number will be connected to a trained counselor at a crisis center closest to them. If a local crisis center is too busy to respond right away, the call gets routed to one of 16 backup centers nationwide.

Is the system leakproof? Not yet, as discovered through a 2021 study by the federal Substance Abuse and Mental Health Services Administration. It found the former suicide hotline received 3.6 million calls, chats and texts in 2021, but was able to respond to just 85% of calls, 56% of texts

and 30% of chats. With an 18-fold increase in federal dollars recently dedicated to the 9-8-8 system, it is predicted calls will double and more will get answered and routed before frustrated callers just hang up.

That’s when it gets trickier. One of the delayed outcomes of the COVID-19 pandemic was more people becoming isolated from friends, family or just society in general, either aggravating existing mental health conditions or experiencing new anxiety or depression. Scientists have charted that phenomenon, as well as hospital administrators in Wisconsin and elsewhere.

“Hospitals are seeing more emergency department visits for mental health issues after COVID-19 surges, particularly among young adults and racial minority groups,” Modern Healthcare reported in March 2022. In Wisconsin, some hospitals have picked up the slack where county-run mental health facilities have fallen down.

For Dr. Robert Golden, a nationally known psychiatrist and dean of the UW-Madison School of Medicine and Public Health, the advent of 9-8-8 is welcome but no panacea.

“I think 9-8-8 is an important, albeit relatively small,

step in the right direction.” Golden said. “It will save lives, but it’s a Band-Aid. The greater challenge is building up the mental health infrastructure beyond crisis intervention. After you’ve talked someone down from the brink, they need an appointment to start (or restart) treatment, and across the country, we have a growing shortage of mental health professionals, especially for child and adolescent populations.”

Much of society should care if mental-health treatment is increasingly less available, including business owners who worry about people wandering in off the street, harassing customers and employees or worse. Is the epidemic of mass shootings linked to untreated mental health conditions?

Writing recently in Psychology Today, Dr. Fabiana Franco noted that 98% of mass shooters are men, usually young men, but added most such shooters don’t meet the diagnostic requirements for mental illness. They’re emotionally disturbed, of course, but that may be rooted in other causes – a pattern of rejection, childhood trauma, bullying or that hardest-to-define trait, just plain evil.

Whatever the clinical diagnosis, the outcomes also affect community policing. West Allis Police Chief Patrick Mitchell, a recent president of the Wisconsin Chiefs of Police Association, said a large share of trouble calls for most departments involve people in distress. In West Allis, he estimated, it would be about 25% of all calls.

“If 9-8-8 can be well publicized, it will be a good thing,” Mitchell said. “But like so many other things in life, it will depend on who’s on the other end answering the phone.”

The 2022 report on “The State of Mental Health in America” confirmed that untreated symptoms, long a problem with many adults, only got worse during the pandemic for adults and youth alike. It also cited 9-8-8 taking effect as one factor to help narrow the gap. Perhaps that new three-digit number, over time, will help law enforcement, health systems, businesses and ordinary people better cope with an often-unseen problem.

Still is president of the Wisconsin Technology Council. He can be reached at [tstil@wisconsin-technologycouncil.com](mailto:tstil@wisconsin-technologycouncil.com).

# A Look Back

### 10 Years Ago August 1, 2012

Mike Gutsch has accepted the new position as CEO of Cumberland Healthcare. With over 20 years experience in hospital, long-term care and clinic financial management, Gutsch says he is passionate about helping people in a rural healthcare setting. Cumberland Healthcare is extremely honored to have Mike Gutsch as the new CEO.

The Wisconsin Intercollegiate Athletic Conference celebrated the All Time Conference Football Team, along with other athletic teams, at a banquet in Madison last Saturday night. All-Time teams were selected in those men’s and women’s sports that have been classified as “championship” sports at some point during the conference 100 year history. Cumberland District Superintendent Dr. Barry Rose was named to the 100-man football squad. Rose had an outstanding career at UW-Stevens Point, being part of the 1987 NAIA National Championship Team, and being named Conference MVP in 1991.

### 20 Years Ago July 31, 2002

Indianhead Sport Shop was the victim of theft of two jet skis. The jet skis were on the Indianhead Sport Shop lot. They were for sale. Indianhead Sport Shop

owner Timm Twait reported the theft on Monday, July 29. The jet skis were probably taken after the rain on Sunday. The Barron County Sheriff’s Department is continuing to investigate this incident.

### 30 Years Ago July 29, 1992

Navy Petty Officer 2nd Class John A. Schwanke, son of John and Mary Schwanke of Cumberland, is in the middle of a six-month deployment to the Persian Gulf aboard the guided missile cruiser USS Gridley, home ported in San Diego, CA. Schwanke is participating in various operations and training exercises as part of the USS Independence aircraft carrier battle group.

The search for the Golden Rutabaga starts again as the opening event for Cumberland’s 60th Annual Rutabaga Festival. The winner of the hunt will receive \$200 if he or she is wearing a Rutabaga Fest button, but only \$50 if not.

### 40 Years Ago July 28, 1982

Gerry Chartraw, who works at Magic Scissors, was the winner of the Cumberland Chamber of Commerce Crazy Days. She dressed up as the famous Mae West.

A tractor was reported stolen from the Richard Bunker residence on July

18. A Case VAC tractor was taken, the owner said, it was old but had new parts on it. The owner also said the front tire was flat, so it was either pulled or taken away on a trailer.

### 50 Years Ago July 27, 1972

The Cumberland Police Department is now “sporting” a new police car, a light blue Chevrolet, which they received this week on lease from Beise Chevrolet and Oldsmobile.

Duane Dosch, Cumberland, was among 17 top level freshmen-to-be students of the University of Wisconsin who have been selected by the college of engineering freshmen merits awards for the 1972-73 academic year.

### 60 Years Ago July 26, 1962

Cumberland Volunteer Firemen were called to the lake home of Mrs. Elda Steinburg on County Highway H at 12:35 Wednesday afternoon. A “forgotten” dinner caused the house to fill with smoke and a passerby turned in the alarm. The only damage was caused by the smoke.

### 80 Years Ago July 30, 1942

Frank Babcock, a 1942 Cumberland High School Graduate will leave Friday for Washington, D.C., where

he will be employed in the office of the Federal Bureau of Investigation. He received notice of his appointment as a clerk in the Bureau early in the week. The appointment carries with it the opportunity for specialized training and advancement in the FBI.

### 90 Years Ago July 28, 1932

Frederick Hines was the only member of the local troop to attend the council camp of the Chippewa Valley Council. He passed the requirements for the life saving merit badge and is now ready for his investiture to the rank of Eagle Scout. He will have the honor of being the first scout to attain that rank in Cumberland.

Matthew E. Rasch, 44, of Plainview, MN., has been charged with ATV or UTV/operate without a muffler.

His court date is scheduled for August 17, 2022.

Tyler S. Miller, 35, of Somerset, has been charged with ATV or UTV/operate without a muffler. His court date is scheduled for August 17, 2022.

Trenton J. Neuenchwander, 26, of Weyerhaeuser, has been charged with illegally operate ATV or UTV on/in vicinity of highway. His court date is scheduled for August 17, 2022.

Brooke L. Rolbiecki, 20, of Trempealeau, has been charged with operate ATV or UTV without required headgear. Her court date is scheduled for August 17, 2022.

### Criminal Complaints

Tyler G. Rice, 23, of Almena, has been charged with disorderly conduct and carry or display facsimile firearm. His adjourned initial appearance is scheduled for August 10, 2022.

Scott E. Massaro, 32, of Almena, has been charged with battery, domestic abuse and disorderly conduct. His court hearing is scheduled for October 5, 2022.

John A. Harrison, 36, of Exeland, has been charged with carrying a concealed weapon. His initial appearance is scheduled for July 27, 2022.

Thomas R. Demulling, 49, of Barron, has been charged with disorderly conduct and harassment-attempt physical contact. His court hearing is scheduled for October 5, 2022.

Felix J. Cardona, 52, of Cumberland, has been charged with disorderly conduct. His adjourned initial appearance is scheduled for August 31, 2022.

Braidon X. Rau, 22, of Mironong, has been charged with battery, criminal damage to property, disorderly conduct, intimidate victim/use or attempt force, and intimidate victim/dissuade complaints. He has a warrant out for his arrest.

Theresa A. Smith, 32, of Almena, has been charged with possession of methamphetamine. She has a warrant out for her arrest.

Todd S. Garner, 59, of Hillsdale, has been charged with OWI and operating with PAC. His preliminary hearing was scheduled for July 21, 2022.

Alexa W. Rosa, 36, of Saint Paul, MN., has been charged with possession of methamphetamine and possession of drug paraphernalia. Her adjourned initial appearance is scheduled for August 31, 2022.

Amanda M. Kitchen, 38, of Rice Lake, has been charged with 2nd degree recklessly endangering safety, domestic abuse and substantial battery-intend bodily harm. Her preliminary hearing was scheduled for July 22, 2022.

Dallas A. Moore, 63, of Rice Lake, has been charged

with possession of methamphetamine and possession of THC. He has a warrant issued for his arrest.

Shane L. Cutting, 50, of Ridgeland, has been charged with possession of methamphetamine and possession of drug paraphernalia. His initial appearance is scheduled for August 24, 2022.

Ryan L. Hansen, 35, of New Auburn, has been charged with OWI and possession of THC.

An officer, with the Barron Police Department, reports on July 9, 2022 at approximately 4:35 pm, he observed a motorcycle driving southbound on S. 7th Street in the city of Barron. The officer reports he observed an extremely loud and obnoxious sound coming from the exhaust of the motorcycle. The officer observed the license plate on the motorcycle to be expired. The officer initiated a traffic stop on the motorcycle. The officer observed Hansen to turn onto S. 8th Street and into a driveway.

The officer made contact with Hansen. The officer reports Hansen admitted his exhaust was a straight pipe with no baffles. The officer observed Hansen to be moving erratically and touching his pockets. Hansen advised he was driving to his home in Chetek. Hansen stated he did not know the owner of the driveway he pulled into. Hansen stated he pulled into the driveway because he did not want his vehicle towed. When asked whether he would allow the officer to search his person, Hansen lifted his shirt. The officer patted Hansen down for safety.

The officer reports he felt a plastic bottle shaped item in Hansen's front pocket. Hansen stated it was medication, took it out of his pocket, and handed it to the officer. The officer observed two different pills inside the bottle. Hansen stated he had a prescription for the two odd pills but did not have the prescription or bottle with him.

The officer performed a search on Hansen's person and located a pack of cigarettes in Hansen's front pocket. The officer observed a plastic wrapper containing what the officer believed to be marijuana inside the cigarette pack. The suspected marijuana was later tested and the result was positive for THC. The officer also located a receipt with eight loose pills inside during the search of Hansen's person.

A Barron County Sheriff Deputy, reports he responded to assist the officer, and the deputy observed Hansen to be moving irregularly and Hansen to have involuntary twitches to his body. The deputy detected a strong odor of marijuana emanating from Hansen's breath. Hansen advised that he had smoked marijuana between 12 and 12:30 "last night."

The deputy reports he ad-

vised Hansen he would be administering Standardized Field Sobriety Tests to make sure Hansen was safe to operate a motor vehicle. The deputy reports Hansen danced over to the sidewalk.

Hansen performed the tests but did so in an unsatisfactory manner. The deputy first administered the Horizontal Gaze Nystagmus test. The deputy observed six of six clues of impairment. The deputy next administered the walk and turn test. The deputy observed seven of eight clues of impairment. The deputy observed Hansen to nearly fall over while performing the walk and turn test. The deputy next administered the one leg stand test. The deputy observed four of four clues. The deputy observed Hansen to nearly fall over while performing the one leg stand test.

The deputy reports he also administered Advanced Roadside Impaired Driving Enforcement (ARIDE) tests. The deputy first administered the alphabet test. The deputy observed Hansen had to focus on his train of thought and while speaking, a strong odor of marijuana emanated from Hansen's breath.

The deputy reports he placed Hansen under arrest for suspected operating while under the influence.

If convicted for operating a motor vehicle while under the influence, Hansen may be fined not less than \$600 nor more than \$2,000 and imprisoned not more than 45 days in jail. For possession of THC, he may be fined not more than \$1,000 or imprisoned not more than six months or both.

His court hearing is scheduled for October 12, 2022.

## Senator Bewley Involved in a Multiple Car Crash

On Friday, July 22, at about 12:25 pm, Ashland County Dispatch received multiple 911 calls of a multiple vehicle crash on US Hwy 2/Lakeshore Drive near Turner Road in the City of Ashland.

According to the press release, the investigation showed that the accident occurred when a vehicle, driven by Senator Janet Bewley, pulled out from the entrance of Maslowski Beach to turn east onto Hwy 2. That vehicle collided with a vehicle that was westbound on US 2 driven by Alyssa Ortman, 27, of Clearfield, PA. According to the Ashland Police Department, that vehicle then spun across the

highway and was struck by an eastbound vehicle driven by Jodi Munson, of Mason.

Alyssa Ortman was transported to a hospital where she died of her injuries. Also in the vehicle was her 5-year-old daughter, who was pronounced dead at the scene.

The Ashland County Sheriff's Department, Bayfield County Sheriff's Department, Ashland County Highway Department, Wisconsin State Patrol, Ashland Public Works, Bad River First Responders, and Mason Fire Department all assisted with the road closure of the scene.

## Rice Lake Man Arrested for OWI 5th Offense

Christopher Michael Karpowicz, 41, from Rice Lake, has been arrested by the Wisconsin State Patrol Spooner Post for operating a motor vehicle under the influence, 5th offense.

A Wisconsin State Patrol Trooper stopped to check on a disabled motorist on County Road D. A subsequent investigation was conducted on the driver of the vehicle. The driver was arrested for operating a motor vehicle while under the influence (drugged driving) 5th offense, operating a mo-

tor vehicle after revocation and on a Barron County Warrant. The driver was transported to a local hospital for an evidentiary test of his blood and then to the Washburn County Jail.

"Pursuant to the direction of the Wisconsin Supreme Court, as found in Supreme Court Rule 20:3.6, Trial Publicly, you are advised that a charge is merely an accusation and that a defendant is presumed innocent until and unless proven guilty."

# Barronett News

By Judy Pieper

The congregation of Barronett Lutheran Church would like to thank Pastor Karen Johnson for filling in for Pastor Todd this past Sunday. Pastor Todd was feeling a little out of kilter, so he called Pastor Karen and she very graciously agreed to lead this week's service. The sermon was about Jesus teaching the disciples to pray and, even though most of us think we know all about praying, we picked up some very good tips on the subject from Pastor Karen. Thank you again, Pastor Karen. We appreciate your willingness to serve.

And . . . Get well wishes go out to Pastor Todd. We all hope you are feeling perfectly fine again soon and back to your usual spot at the church.

The Barron County Fair was so much fun this year. Duane and I enjoy checking out the arts and crafts exhibits, the vegetables and flowers and the animals. We visited with lots of people we knew and a few we had never met before. There was one young couple with a cute little toddler who invited us to sit at their table to eat our fair food. They told us about their raised garden, which they were very excited about, and we gave them a couple tips on freezing and canning.

The Washburn County Fair will be held this week. We always enjoy that too. My favorite memory of the Washburn County Fair is from the year that our granddaughter, Savannah Marsh, visited us for a couple weeks. She, Maddy and Wrigley Marsh and I attended the fair and the kids had a marvelous time. Savannah must have spent at least \$10 trying to win a goldfish (which she could prob-

ably have bought for less than a dollar) and was overjoyed when she finally won one. We brought it home, followed the care directions to the letter, and the next morning he was doing the back float. I don't think she ever got another goldfish. Oh, by the way, you know that she is now an RN and Jerry will be picking her up from Appleton this week so that she can start her new career in Minneapolis.

The Nickell family had a wonderful three week visit with Steven, Suzanne and Fredic Nickell who traveled from their home in Oslo to spend time with their family. While they were here the attended the wedding of Steven's sister, Rebecca Nickell, and Joe Ebargary on July 2nd. The wedding was held on a boat in Duluth Harbor and Lois Nickell said it was beautiful. She said that family members were so happy to be able to spend some time with Steven and Suzanne and were especially happy to be able to spoil ten-month-old Fredic a little bit before the parents whisked him back to Norway. - Oh, and congratulations, Rebecca and Joe. We wish you many, many years of happiness.

Suzy and Ryan Lehmann have guests from Paradise, California this week. Sherry Barns, who was a friend of Suzy's in Sierra Vista, Arizona, flew into Cumberland airport with her boyfriend, Mike, on Sunday. Mike will be attending the air show in Oshkosh this week and then will fly back on Thursday to pick Sherry up and fly back to California. We are so happy to have her visiting again - She and Suzy were almost inseparable during their middle school years.

Duane and I attended a memorial get-together for Jerry and Roger Hefty on what would have been Jerry's 89th birthday on Saturday. Jerry's kids and grandkids had planned a big birthday bash for Jerry, but, unfortunately, he passed away in June. They decided though that they would have the get-together on his birthday and invite his relatives, neighbors and friends to hang out and share memories of Jerry and Roger. It was very nice - There was a potluck lunch, so you know the food was delicious and we really did have a nice time visiting with folks and sharing memories of our cousins.

Our sympathy goes out to the family of Carol Farlow who passed away on Saturday, July 23rd. Carol grew up in southern Wisconsin, but when she came to River Falls to go to college, she met the love of her life, Chance, on a canoe trip with Chance's sister, Katha. After Carol finished college, she and Chance moved back to Barronett, settled on the family farm and raised their family. In addition to gardening, raising the kids and helping with farm chores, Carol worked at Barronett Cenex when it first opened and did home health care. She was a wonderful woman, a good friend to many and a very good neighbor. She will be missed by all who knew her. Please keep Carol's family in your prayers for comfort as they go through this time of sadness.

There are so many things going on around here, but I'm running out of space. Next week I will tell you about the new World Champion breakaway roper. See you then.

# OBITUARIES

**Arlene C. Zimmer**

Arlene Charlotte Zimmer, 89, of Turtle Lake died Saturday, July 16, 2022 at Pioneer Nursing Home in Prairie

Farm. She was born September 4, 1932 in Cumberland, WI to Augusta Winfield and Blanche (Ogren) Jerry.

She was married in Cumberland on December 20, 1952 to Paul Anthony Zimmer who preceded her in death on October 20, 2016.

In her free time, Arlene enjoyed gardening, reading and was an active member at numerous churches throughout her life.

She is survived by: son, Jerry Zimmer; grandchildren, Eric Boettcher, Jeremy (Michelle) Boettcher, Shawn

(Melissa) Zimmer and Elizabeth Zimmer; many great-grandchildren; sister, Loretta Shimon; special niece, Vonnie Ritchie.

Preceded in death by: husband, Paul; son, Darrell Zimmer; daughter-in-law, Rita Zimmer and 5 siblings.

Funeral services will be held 11 AM on Thursday, July 28th at United Methodist Church of Barron with luncheon to follow. Visitation one hour prior at church.

Skinner Funeral Home of Cumberland is serving the family.

**Carol A. Farlow**

Carol Ann Farlow, 75, of Barronett died, July 23, 2022, at Care and Rehab-Cumberland. She was born December 25, 1946, in Geneva, WI to Voren and Evelyn (Anderson) Bethke. Carol graduated from Viroqua High School in 1965, and continued her education at UW River Falls where she earned her Bachelor's Degree. She was married on March 2, 1968, to Chance Farlow who preceded her in death on April 10, 2022.

Carol was not a woman to sit still, she enjoyed filling her

time with working on the family farm, cooking and baking delicious food, working several jobs outside of the home, home schooling, and volunteering at her church. She was a member of the Cumberland Baptist church, helped with vacation bible school, and the choir.

She was a loving, caring wife, mother, grandma, and great grandma. Carol touched the lives of many people throughout her life; she will be deeply missed by everyone that had the privilege to know her.

She is survived by her daughter, Jessica (Mick Hiber) Farlow; son, Chance Farlow; two grandchildren: Jimmie and Kristy Mehalek; four great grandchildren: Mason Gilbert, Ryder Keller, Neveah Keller and Kinsley Mehalek; numerous nieces, nephews, great nieces and great nephews; siblings: Kenny (Bonnie) Bethke, Donna Bethke, Danny (Vicki) Bethke, and Nancy Jacobson;

and many other family and friends. Carol was preceded in death by her parents, Voren and Evelyn; grandparents; siblings: Jeanie, Steven, Vicky, and Pat; numerous cousins, aunts, and uncles.

Funeral services will be held at 11 AM Friday, July 29, 2022, at Cumberland Baptist Church in Cumberland with Pastor Jared Andrea officiating. Burial will be in the Family Homestead. Honorary Pallbearers are Mick Hiber, Jimmie Mehalek, Kristy Mehalek, Family friend Troy Christiansen, Ben McKeon,

Visitation will be from 4-7 PM Thursday, July 28, 2022, at Skinner Funeral Home in Cumberland, and one hour before the service. There will be a luncheon following the service after which the burial will be on the family homestead.

Skinner Funeral Home of Cumberland/ Turtle Lake is serving the family.

## Senior News

By Dave Husby

The month of August has sneaked up on me. Summer is racing past us all at an ever increasing speed. Earlier we elected a new board of directors. All of us on the board were re-elected. Guess nobody wants our jobs. Cumberland Area Senior Center is on a path to get more and diverse activities in place to attract new members. So far this year we have attracted a group of MahJong players and they meet every Monday morning. They are a great group of people and many have joined as members to the Cumberland Area Senior Citizens. We encourage other groups to come use our facility. See if you like it and maybe you will come and join us as well. Our monthly calendar has not changed much. We still have cards: 500, pinocle, smear and bridge. Cards are played Monday, Wed, and Fri every week. We play BINGO every third Thursday of the month and we have other ad hoc activi-

ties as they may occur.

We want to encourage you to come and participate in our congregate meal program. The county ADRC Meals on Wheels Program delivers approximately 50 meals a day from our location. Our in-house dining needs more participation. These meals are of excellent quality. The meals program is very diverse and is very nutritious. Where else can you get a decent meal for \$5.00? Cumberland sponsors a soup and salad bar option for meals on the first and third Tuesdays of every month. Attendance has been sporadic. We encourage your participation. The soup is excellent and the salad components are fresh. Come join us.

Want to meet some people? Come join us every Monday morning for coffee and conversation.

In July we asked for some help with grooming the grounds. Lo and behold a group of scouts rose to the challenge and on July 14th,

four of our local scouts helped us spruce up the grounds and the exterior of our building. We thank you so much. You were great to get to know and talk with. We hope you will stay in contact with us.

Thank you to the Townships of Maple Plain, Lakeland and Cumberland for your generous donations to the Cumberland Area Senior Center. Your generosity will help us serve the senior community of the Cumberland Area.

It is with great sadness that we say farewell and God Rest your Soul to our friend and Secretary of the Board, Beverley Lloyd. Bev served our senior community for many years and was a great secretary of the board. We have been friends for many years and will miss her presence during our deliberations. Rest in peace my friend.

Phone ADRC at 715-537-6225 for meals programs and 715-822-8794 for further assistance.

# OBITUARIES

**Raymond (Ray) P. Nesseth**

Raymond (Ray) Paul Nesseth, of Barron, Wisconsin, passed away on the morning of June 14th. He was surrounded by family after a long battle with cancer.

Ray was born in Detroit, Michigan in 1941 and moved with his family to Dafter, Michigan and went to grade school in Brimley, Michigan. He graduated from Brimley High School in 1959. Ray then went to Lake Superior State College for 2 years and then St. Olaf College to get his bachelor's degree in teaching.

Ray combined working on the family dairy farm in Daft-

er and teaching high school mathematics at the Rudyard High School for 9 years after college.

After retiring from teaching, his father (Clifford Nesseth) filed several patents involving agricultural manure handling equipment. With these patents, the family transformed the dairy farm into a manufacturing facility. His family, including his parents, 3 brothers, and a sister, sold the farm property (now a manufacturing facility) and moved to Barron, Wisconsin in 1977 to open Nesseth Incorporated which later changed to NTH, Inc. in the City of Barron Industrial Park.

Raymond retired from NTH, Inc. in 2014 and continued loving his wife, and mentoring his children, grandchildren, and great-grandchildren. He loved spending time at Silver Lake, always had several projects going on his property (most involved a chainsaw and his tractor), and enjoyed helping his children and grandchildren any way he could at a moment's notice. He always had a smile on his face and

touched everyone he met. He was dear friends with Dave and Marcia Ladd, Gary and Barb Thompson, Roger and Doris Willis, Fred and Eleanor Lockburner, and Nick and Norma Licht.

He is survived by his wife, Beverly Jane Nesseth, siblings, Clinton Nesseth, Lois Nesseth; son, Mark Nesseth; daughters, Kari (Mark) Klein, Shawn (Kevin) Lipke, Sonya (Jason) Young. He was also survived by 9 grandchildren and 4 great-grandchildren.

He was preceded in death by his parents, Clifford and Pearl Nesseth; brothers, Dennis and Bryce Nesseth; nephews, Lawrence Nesseth, Dale Postma, Dave Ladd; and friends, Fred Lockburner and Nick Licht.

A Celebration of Life will be held on Sunday, August 7, 2022 from 1:00 until 4:00 p.m. at the Island Pavilion at the Barron Park in Barron.

Arrangements are being handled by Rausch and Steel Funeral Home in Barron. Online condolences can be made at [www.rauschandsteelfuneralhome.com](http://www.rauschandsteelfuneralhome.com).

**Arlene T. Van Meter**

Arlene Terry Van Meter, 89 years of age, went to her forever home on July 17, 2022.

Arlene was born on March 8, 1933 to Scott and Selma Eno in Galesville, WI. After graduating from Galesville High School in 1950, Arlene followed her sister, Audrey, to Maryland where they both worked at dry cleaners on the Aberdeen Proving Ground - United States Army base. It was there on that base in Maryland where she met and fell in love with Ralph Van Meter. On April 25th in 1954 the two were wed by a Methodist minister in Bel Air, Maryland. Upon Ralph's completion of mili-

tary service the young couple decided to move west, back to Wisconsin. After a brief stop in Cumberland they continued north where they then planted their roots deep and wide in the city of Shell Lake. It was in Shell Lake that Ralph and Arlene raised their five daughters. And if five girls weren't more than enough to keep her busy, Arlene also worked as a cook at the Shell Lake School and then later at the Shell Lake Arts Center. Arlene was an exceptional baker and cook - at all the family gatherings you best believe she was going to bring her infamous homemade cupcakes.

Arlene was a loving wife to Ralph for their entire 68 years of marriage. She lived and loved with an immeasurable depth of protective fire and care for her entire family.

Arlene was welcomed into her heavenly home by her infant son, Michael, and her beloved daughter, Nancy.

Arlene is survived by her husband Ralph; her daughters: Sue (Tooker) Weathers, Karen (Rob) Taylor, Laurie (Tim) Studt, Mary (Kyler)

Gustafson, son-in-law Russ Furchtenicht, sister Audrey Baker, 15 'courageously-strong-just-like-grandma-was' grandchildren, 32 and counting great-grandchildren, and many nieces and nephews.

Funeral services were held Friday, July 22, 2022 at Shell Lake United Methodist Church. Burial was at Lakeside Cemetery in Cumberland at a later date.

Skinner Funeral Home is serving the family.

## Church Directory

### "Praying is Hard"

by Diane House

Trinity Lutheran in McKinley

Sometimes praying is hard, especially when it seems as if our prayers are answered by God's silence. I came across this prayer that I found helpful for those times and share it with you all as today's devotion. It was written by Sandra Thurman Caporale from the Memorial Church of Christ in Houston:

There was a moment when Moses had the nerve to ask God what his name is. God was gracious enough to answer, and the name he gave is recorded in the original Hebrew as YHWH.

Over time we've arbitrarily added an "a" and an "e" in there to get YahWeH, presumably because we have a preference for vowels.

But scholars and Rabi's have noted that the letters YHWH represent breathing sounds, or aspirated consonants. When pronounced without intervening vowels, it actually sounds like breathing.

YH (inhale): WH (exhale).

So a baby's first cry, his first breath, speaks the name of God.

A deep sigh calls His name - or a groan or gasp that is too heavy for mere words.

Even an atheist would speak His name, unaware that their very breath is giving constant acknowledgment to God.

Likewise, a person leaves this earth with their last breath, when God's name is no longer filing their lungs.

So when I can't utter anything else, is my cry calling out His name?

Being alive means I speak His name constantly.

So, is it heard the loudest when I'm the quietest?

In sadness, we breathe heavy sighs.

In joy, our lungs feel almost like they will burst.

In fear we hold our breath and have to be told to breathe slowly to help us calm down.

When we're about to do something hard, we take a deep breath to find our courage.

When I think about it, breathing is giving him praise. Even in the hardest moments!

This is so beautiful and fills me with emotion every time I grasp the thought. God chose to give himself a name that we can't help but speak every moment we're alive.

All of us, always, everywhere.

Waking, sleeping, breathing, with the name of God on our lips..

**NOTICE OF PUBLIC HEARING AND JOINT REVIEW BOARD MEETING TAX INCREMENTAL DISTRICT NO. 9 CITY OF CUMBERLAND, WISCONSIN**

Notice is Hereby Given that the City of Cumberland will hold a Joint Review Board meeting on August 3, 2022 at 3:00 p.m. The meeting will be held at the Cumberland City Hall, located at 950 1st Avenue and via Microsoft Teams: [https://teams.microsoft.com/l/meetup-join/19%3ameeting\\_ZTQ1YjhjZWUtMjQ3Ni00ODUyLWFjNjgtOWMxMmRmOTk3MjU3%40thread.v2/0?context=%7b%22Tid%22%3a%2271c01b83-561e-4863-a987-0b04d2e359b9%22%2c%22Oid%22%3a%22b3e4d65c-1aab-4d32-b279-d59a9d5452cd%22%7d](https://teams.microsoft.com/l/meetup-join/19%3ameeting_ZTQ1YjhjZWUtMjQ3Ni00ODUyLWFjNjgtOWMxMmRmOTk3MjU3%40thread.v2/0?context=%7b%22Tid%22%3a%2271c01b83-561e-4863-a987-0b04d2e359b9%22%2c%22Oid%22%3a%22b3e4d65c-1aab-4d32-b279-d59a9d5452cd%22%7d)  
 Or join by entering a meeting ID:  
 Meeting ID: 215 978 568 11  
 Passcode: x4QLrd  
 Or call in (audio only)  
 1 262-358-4274, 340082675# United States, Kenosha  
 Phone Conference ID: 340 082 675#  
 The purpose of the meeting is to organize the Joint Review Board for further consideration of the City's proposal to amend Tax Incremental District NO. 9.

NOTICE IS HEREBY GIVEN that the Plan Commission of the City of Cumberland will hold a public hearing on August 3, 2022 at 4:00 p.m.

The meeting will be held at the Cumberland City Hall, located at 950 1st Avenue. The hearing will be held to provide the public a reasonable opportunity to comment on the proposed amended boundaries of Tax Incremental District No. 9, and the proposed amendments to its Project Plan.

The proposed amendment would add territory to the District as permitted under Wisconsin Statutes Section 66.1105(4)(h)2. The District's proposed amended boundary is identified on the map included in this Notice.

Based on the condition of properties within its boundaries at time of creation, territory within the District was previously identified as suitable for mixed use development.

Projects to be undertaken within the District and costs to be incurred (Project Costs) will continue to be for the purpose of promoting mixed-use development and will include acquisition of property, rights of way or easements, site preparation, installation or rehabilitation of utilities and streets, payment of cash grants as development incentives to owners, lessees, or developers of land located within the District, professional services and organizational costs, administrative costs, financing costs and other costs as may be necessary to implement the District's Project Plan. Projects may be undertaken within the District's proposed boundary and in areas located in the City within 1/2 mile of that boundary.

As permitted under Wisconsin Statutes Section 66.1105(4)(h)1., the list of estimated Project Costs in the current Project Plan would be amended and increased by approximately \$8,000,000.

All interested parties will be given a reasonable opportunity to comment on the proposed amended boundaries of the District and the proposed amendments to its Project Plan. A copy of the proposed amendment to the District's Project Plan, including a description of the proposed amended boundary, is available for public inspection and will be provided on request during normal business hours at the office of the City Clerk at the Cumberland City Hall, located at 950 1st Avenue. This information can also be viewed on the City's website at [www.cityofcumberland.net](http://www.cityofcumberland.net).

 Cabin and home decor, refinished furniture, rusty yard art, antiques and more!  
 (CASH ONLY)  
**CORNER OF HWY 63 & HWY H**  
 JUST NORTH OF CUMBERLAND

**OVER A GALLON**  
**Is 1941 drinking record**  
 If you are an average citizen of Wisconsin, you drank 1.28 gallons of whiskey last year, a half gallon of wine, almost 22 gallons of beer, and smoked 1,130 cigarets.  
 That's the conclusion of the annual report of the cigarette and beverage tax division of the state treasury, based on the whole population of the state, dries and wets, children and adults. The result was a tobacco and alcohol tax revenue of \$9,863,904 (\$536,202 more than was collected during the previous year). Liquor taxes are returned to municipalities for tax relief; beer, wine and cigarette taxes are poured into the general state treasury for state operations.

**Barron County Tipster Line**  
 1-800 532-9008

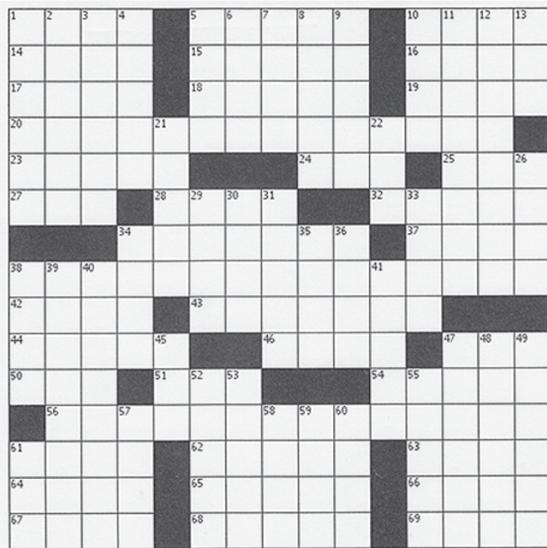

**Attention Farmers**

Did you notice all the green around the County this spring? Cover crops are being used extensively to improve soil health.  
 If you haven't tried covers or had success with them in past, the Soil & Water Conservation Department is again offering an incentive of \$25 an acre through the County Conservation Assistance Program. This incentive is offered to assist operators to implement a new management practice; those who have received 3 or more years of cover crop payments are not eligible for funding as we are confident you've experienced the benefits of this practice and will continue to use it.  
 Our focus of this incentive is to provide soil cover after wheat, corn silage and snap beans. There are also options for after soybeans and corn grain. Please contact us for more information.  
 When used in conjunction with a no-till system, cover crops help soil function more naturally.  
 For more information, contact the Soil & Water Conservation Department at 537-6315.

**Become an Intern for Embrace!**

Rice Lake, WI—Looking to gain valuable knowledge in the non-profit industry and work with survivors of domestic and sexual violence? Embrace is seeking a Fall 2022 Intern for our Rusk County Office to join our mission in ending violence, inspiring hope and providing support to all people affected by domestic or sexual violence.  
 "Embrace is committed to providing support services to anyone in Barron, Rusk, Price and Washburn counties affected by domestic and/or sexual violence," said Katie Bement, Executive Director, "Interns play a vital role, and we are always in need of caring, compassionate individuals to help us carry out our mission." Embrace provides crisis intervention, advocacy-based counseling, and referrals to community resources 24 hours a day, 365 days a year. Additional supportive services include medical accompaniment, legal advocacy, and youth programming.  
 Our Fall 2021 Intern from UW-Stout, Sara Potter, stated, "Embrace provides a hands-on learning experience in a fast past environment. If you want to get a real world look inside a non-profit, Embrace is the perfect place to do your internship." Individuals are not required to have experience prior to interning. In-depth training will be provided to develop skills and compassionate services to survivors. A complete look at the Internship Job Description can be found on our website!  
 Requirements for Internship  
 Must be 18 years of age or older  
 Must be enrolled in a 2 or 4 year degree program  
 Must be available to complete 200+ hours for the internship program  
 Must have a valid driver's license and reliable transportation  
 Have a working cell phone  
 Consent to a criminal background check  
 Must be available to take "on-call" hours  
 For more information about interning, contact us or check out our website.  
 Call: 715-532-6976  
 Email: mckenzie@embrace-wi.org  
 Website: www.embracewi.org  
 If you or someone you know is experiencing domestic or sexual violence, you are not alone! Embrace is here to help. You can contact Embrace for free, confidential support at 1-800-924-0556 or text 715-532-6976.

## Montana Elk Hunt

Hello friends,

It seems some of the best trips I go on begin with adversity of some sort. This week you will find out that my Montana elk hunt began in a very scary way.

**Saturday, October 23, 2004**

**High 41, Low 20**

Our plan was a simple one, or so it seemed to us, for our self-guided elk and mule deer hunt in the Gallatin National Forest near Bozeman, Montana.

Jeff Neitzel and a friend of his, Dan Clark of Belgrade, Montana, planned to hike about 10,000 feet and spend the night before the opener on the mountain. They hoped that at sunrise, hunters climbing the mountain would push elk toward them.

Dan Berry of New Lisbon and I would make the climb together and set up a quick camp with the same plan. Our base camp is a simple and comfortable cabin at the foot of the mountain.

We woke up this morning to a light snow fall. By the time we parked Dan's truck at about 6,000 feet, there were four inches on the ground, and it was adding up fast.

Dan and I were supposed to follow a rocky creek in a mountain gorge leading to the top. At some point on the planned two-and-a-half-hour trek to just about 10,000 feet, we were supposed to cut to our left to a forested area.

Bad luck came our way when blinding snow combined with fog and a lack of knowledge of the area caused Dan and I to miss the forested and safe route.

What happened over the next three hours is still very difficult for me to write about. I hand wrote this story four days later from a mountain top.

Thinking we were on the right course; Dan and I came to a very narrow spot in the canyon where the only way up was to spread our arms and legs and shimmy up the side of the mountain. Thinking our challenge would be short while carrying 35-pound packs and rifles, we made the 100-foot vertical climb.

At this point, visibility was down to about 300 feet, and we came to a rock wall that we thought would end after another 50 yards of dangerous climbing. Dan and I made the climb by putting our rifles above

us on the mountain wall and literally scaling the rock wall two feet at a time.

Snow that had now accumulated to six inches, made grabbing, and holding onto rocks just as terrifying as any fall would have been. With both of us clinging to a rock, we realized a fact neither of us will ever forget. We couldn't climb down and had a 1,000-foot wall to scale.

We had no climbing equipment, no experience, a snowstorm, a pack to carry, and a rifle to push two feet ahead of us with each pull up. Three times Dan asked me for help because he was stuck or exhausted.

Three times I did the same as I became hung up on ledges that I tried to go over by putting my body and backpack on the outside of a rock and pulling up while dangling over a 1,000-foot drop. I couldn't help Dan, and he couldn't help me. We were on our own, and that's how it had to be.

Our rifles were a real problem because they hung up on the mountain wall and it was very hard to lift them over our heads and find a place for them to rest.

Dan's seven millimeter got most of its front sight worn off and hundreds of scars in the stock. The last hour of our experience had both of us praying, scared to death, and in the back of our minds thinking that at least one of us wasn't going to make it out alive.

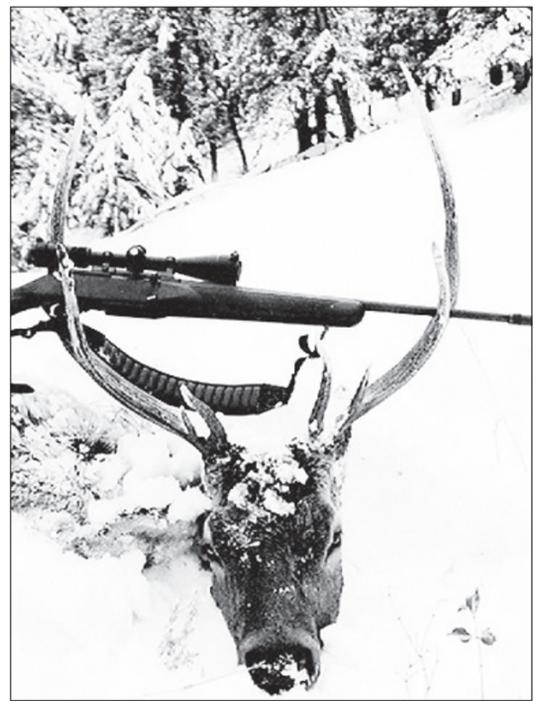

I was generally about 20 feet above Dan and scared I was going to take him out with a falling rock or my own falling body. Once I caused an estimated 25 pound rock to directly fall and strike Dan on the shoulder. I hopelessly watched my buddy do what I figured was his death fall, and then miraculously catch himself.

To make a long story short, we made that climb, hit the top with eight inches of snow, darkness moments away, and physically and mentally shot.

Sixteen inches of snow fell, and the next morning's elk hunting was not a top priority for either of us. This was the most dangerous experience Dan Berry or I have ever had in our lives.

Bonded by the Mountain!

Sunset

This elk was harvested on the last day of our 8-day hunt.

Dan Berry at the very start of a mountain trek that would become a test of sink or swim and staying level headed in a very dangerous situation.

## Northwest Region Construction Update

### Barron County Highway: US 53 northbound

Location: Chippewa County line to US 8 near Cameron  
Schedule: April 4 to October

Cost: \$11.55 million

Description: Removing a portion of the existing asphalt overlay and placing new asphalt; completing spot repairs on structures at Carlson School Road, County AA, the Chetek River, County I, Knapp Street, 20th Street and US 8 and placing a concrete overlay on each of the structures; replacing the concrete deck on the structure at County A; cleaning culverts and ditches; replacing culvert apron end walls, guardrail, pavement markings and signage; and completing spot improvements at Rest Area 34 and overlaying all concrete parking areas with asphalt.

Traffic impacts: A single lane of northbound US 53 will be closed for the duration of the project.

During structure rehab work, the approximate limits of the lane closures are from County M to Carlson School Road, just south of County A to Knapp Street and just south of 20th Street to US 8.

There is a 14-foot maximum width restriction from County M to US 8.

The speed limit within each work zone is 60 mph.

Flagging will be utilized as necessary on the roads underneath the bridge structures including Carlson School Road, County AA, County A, County I, Knapp Street, 20th Street and US 8. Single-lane closures on County I at the US 53 overpass might be used during working hours.

The northbound US 53 on-ramp from US 8 is closed.

**Highway: WIS 48**  
Location: Hay River Flowage, Cumberland

Schedule: March 28 to August

Cost: \$1.24 million

Description: Replacing a culvert with a bridge, bridge

approaches and guardrail.

Traffic impacts: WIS 48 is open to one lane of traffic controlled by temporary signals.

There is a 14-foot maximum width restriction in the work zone.

The speed limit has been reduced from 45 mph to 25 mph.

**Highway: County A**

Location: County U in Dallas to County I

Schedule: July 11 to August

Cost: \$2.52 million

Description: Pulverizing and relaying asphalt pavement, paving.

Traffic impacts: Motorists will encounter single-lane closures controlled by flagging.

Highway: 5th Street

Location: Vance Creek Bridge

Schedule: July 11 to September

Cost: \$388,700

Description: Replacing the bridge.

Traffic impacts: Motorists are using a temporary structure to get around construction.

**Polk County Highway: US 63**

Location: County J southwest of the village of Clayton to US 8 in Turtle Lake

Schedule: May 31 to September

Cost: \$3.94 million

Description: Recycling a portion of the existing pavement, relaying it and placing new asphalt over it and rehabilitating or replacing culverts.

Traffic impacts: None.

**Polk and St. Croix counties**

**Highway: WIS 46**

Location: WIS 64 in the St. Croix County town of Cylon to Snow Street in the Polk County city of Amery

Schedule: July 5 to late September

Cost: \$7.02 million

Description: Removing a portion of the existing pavement and placing new asphalt pavement; widening the existing shoulder and installing rumble strips; rehabilitating a box culvert north of Deer Park and other smaller culverts to maintain drainage; upgrading

guardrail; and placing new pavement markings.

Traffic impacts: Motorists will encounter intermittent single-lane closures controlled by flagging.

**Washburn County Highway: US 53**

Location: Between Mackey and Ross roads in the town of Trego

Schedule: March 17, 2021, to November 2022

Cost: \$17.65 million

Description: Reconstructing US 53 from Mackey Road to existing US 63, relocating US 63 to closely follow the existing Wild Rivers State Trail and constructing a new grade separated interchange connecting US 53 with realigned US 63, new west frontage road from Mackey Road to County E and turn lanes along US 53 at existing intersections, including Mackey, O'Brien and Ross roads.

Traffic impacts: Traffic on US 53 is reduced to one lane in each direction on the southbound lanes.

Temporary signals are in operation at the US 53 intersection at US 63 and Liesch Road.

The speed limit on US 53 is reduced from 65 mph to 55 mph and on US 63 is reduced from 55 mph to 45 mph in the work zone.

**Highway: US 63**  
Location: Greenwood Avenue to Poplar Street, Spooner

Schedule: March 28 to November

Cost: \$8.2 million

Description: Reconstructing US 63 from WIS 70 to Poplar Street with new pavement, sidewalk, curb and gutter; reconstructing the US 63/WIS 70 intersection; rehabilitating US 63 from Greenwood Avenue to WIS 70 by milling the existing asphalt and overlaying the road with new asphalt; converting US 63 from Greenwood Avenue to Poplar Street to a three-lane road, with one lane for traffic in each direction and a two-way left-turn lane in the center to improve safety and reduce overall corridor travel times; installing new

sanitary and storm sewer and water main; improving pedestrian access to meet current Americans With Disabilities Act standards at intersections; and installing new street lighting, pavement marking and signing.

Traffic impacts: US 63 is closed north of WIS 70 to Poplar Street.

Traffic is being detoured via WIS 70 and US 53.

During construction, alleys and cross streets will be kept open as much as possible.

Highway: WIS 70

Location: US 53 to the south junction of County M east of Spooner

Schedule: May 2 to late September

Cost: \$4.82 million

Description: Recycling a portion of the existing pavement and resurfacing the road; replacing culverts; and placing new pavement markings.

Traffic impacts: WIS 70 is closed, and traffic is being detoured via US 53, County B and County M. For more information regarding traffic impacts and transportation news in Wisconsin's Northwest Region:
